## THIS · MONTH · IN · CLUB

The trouble with all this computer nonsense is the damn games you can play on them.

Here in the buzzing heart of the palatial Club HQ we've had the whole mega-RAM wysiwyg on-line DTP computer bollocks installed. They tell me we're now one of the most advanced publishers in the country. That's true. What they *don't* know is that the advance consists of scoring over three million at Space Invaders, getting to level 48 on Crystal Quest and doing a perfect landing every time on Flight Simulator.

Walking round the office you used to hear groans as the sexiest girl shots were selected, deep grunts as yet another staggering model wiggled through the office, horrible screams from Dominant Dowse's den behind the coffee machine – that sort of thing. Now the office noise goes like this:

*"Beep!" "Wagga wagga wagga crunch". "Crokity crokity crokity bang!" "Oing oing oing kerwamma!"*

The talk – what there was – used to revolve around the size of this girl's boobs and whether another girl really did that trick with the condom and three pounds of marg. It was good, healthy, perverted stuff. Now, when they actually take time off from their blinking, blipping screens, and look up with pale faces at the real world, they say things like, "I just got 65 trillion on Martian Megablast!" Big deal, knob-features.

Now you can't put together a good mag without the right attitude. And I'm sure you'll agree that the right attitude is, *"Fwaaa, look at the tits on that!"* So it seemed we were in trouble, trying to get a bunch of alien-obsessed screen junkies to do the rag.

However, I have found the solution. Porno computer games. Just switch around a few commands on the Crystal Quest programme, and instead of scoring points for zapping aliens you get them for groping girls. A little tweak on Flight Simulator turns it into Twat Stimulator. And as for Space Invaders . . . well with our alterations it's not outer space you're going for.

Good, eh? We'll soon be back in our usual depraved form.

A final note to all who read the deeply offensive comments about myself in Nathaniel Fatbastard's column this issue. I won't repeat his foul slurs, but he clearly implied I have the body of a stick insect and the brain of a three week old turnip. He also compared me to a used cotton bud, which I found confusing. But no doubt I'll discover what he meant one day. And my hair's *not* ginger either.

As you all know, at Club we allow all our columnists total freedom to speak their minds. There is therefore no connection between Nat's unfortunate comments and the fact that last week he was forced to swallow 30 pounds of raw Rottweiler's intestine by an unknown assailant. The disgusting thing is that the obese git enjoyed it. I'll just have to cut his pay instead. ♣

# COME AGAIN

## the girl you've asked to see

Back again this month is raunchy raven-haired Rachel, who set more than a few cocks throbbing when she revealed *all* her charms in Vol 18 No 8. So here's even more, especially for Rob from Feltham, Val from Nuneaton, Kevin from Consett, and an oddball called Uncle Greevesie who told us that "eight out of ten blokes who expressed a preference said their cocks preferred her". Right on, Uncle – bet *he* works in market research! ♣

## Short Straw

Casting my eye along the top shelf in the local newsagent my attention was drawn to the front cover of Vol 18 No 7. I refer of course to the delightful picture of Angela in her denim shorts and, expecting to see a good denim shorts feature inside, purchased the magazine.

How disappointing not to find any further pictures of Angela, in shorts or otherwise. Please, *please* can we have some really good pictures of girls in denim shorts and cut-offs, particularly where the shorts are worn without panties so as to show a bit of pussy. I haven't seen anything like this in Club for too long. Have your models some objection to posing in denim shorts or have they been banned by the spoilsport censors?

Come on Club, let's have some good shorts features and then you will have at least one more regular reader, if not thousands – *JM, Northampton*

*I can promise you won't be going SHORT of them in future! – Ed.*

*Any more crap puns like that and something else will be cut off. – Dominant Dowse.*

## Cock-a-Hoop

I was reminded by the luscious Kitty, who paraded her glorious tits in Vol 18 No 6, of a girl I went out with in my teens. Not only did she have similar full, bouncy boobs, but like Kitty she had only just discovered sex and was pretty insatiable. Being a tit-fan, I loved playing with my girl's bosom, but Hilary really just wanted shagging as hard and as much as possible.

Hilary especially liked riding me on top – that way she could put all her energy into getting herself off with my prick deep inside her. Eventually Hilary noticed that I always went for her tits when I was coming, and began to realise how much she could turn me on, in addition to shagging herself silly. So one day she decided to make up for it.

"Maybe you'd like something a bit slower," she murmured, to my surprise. She got me to lie back, propped up on the pillows, and positioned herself over my body, so that her tits were dangling over my crotch and she could get hold of my dick with her hands. She was lying across me, with her back to me, and for a minute I wasn't that thrilled – until I looked up and saw that we were facing a large mirror. Now I could see Hilary stroking my dick into erection, which was brought on by the sight of her gorgeous tits hanging over my cock. Of course, it was easy for her to rub my dick with her tits. I just lay back and watched, as the tingles crept up my shaft. She teased me with her nipples and pressed my dick into her

***This is a party political broadcast on behalf of the Bottom Party.***

**Hello, my name is Buttock. I'm Great Britain's Bottom representative at the European Parliament. As I'm sure you all know by now, 1992 will be a big year for all bottoms. Firstly it will be my responsibility to supervise the distribution of the so called 'Bottom Mountain'. This huge surfeit of pert, taut, firm bums is lying disgracefully unfelt in a huge warehouse on the outskirts of Baden Bumbot near Brussels. These fabulous cheeks, belonging to some of the most beautiful women in Europe, will be fairly distributed throughout the less well-proportioned women of the EEC.**

**Secondly, all bums found to be soft, squidgy and dimply will be subject to on-the-spot fines, in our attempt to introduce a European standard of pertness.**

**Lastly, I shall propose the motion that all ladies' bums should be tweaked at least once a day. I am sure you will be behind me every step of the way and supporting the bottom movement wherever you can. Thank you for listening, and keep the red panties flying. – *Billy Buttock* ♣**

cleavage, all of which I could see in the mirror. Sexy as it was, it still took her quite a while to bring me to the point of climax. She could feel my jizz coming, and I made certain that my spunk was spread all over her juicy tits when I shot my load. She rubbed it around with my jerking dick, smearing her lovely skin, as my last drops were squeezed out.

After that, Hilary always made a point of spoiling my cock with her tits, especially when she had been satisfied by a big fuck. Seeing Kitty made me fantasize about being brought off like that over her sensational breasts. I'm sure she'd enjoy that as much as working out between the sheets. – *Ian, Birmingham*

# dawn

*Photographs by Michael Moore*

You'll probably recognize Dawn's considerable talents from the *Holiday Blues* pictures in Vol 18 No 6 where she was to be seen cavorting wantonly on a beach with a girlfriend. As it turns out, Dawn is no stranger to exotic locations or such stunning company.

"I tend to hang around with a fairly racy crowd with lots of money and plenty of time

to spend it. I got to know most of them while I was working in a very posh restaurant in Cheltenham. I used to look at their crowd longing to talk to them, they were all so attractive. One of the girls, Sammy, who has a lovely body,

invited me to holiday with them in Greece," explains 20-year-old Dawn, as she whipped off her t-shirt to catch some rays on her pert golden boobs. "We all got on awfully well, so well in fact that I developed a really big crush on Sammy. When I told her how I felt about her and desperately wanted to sleep with her, she said that it would be much more fun if we let the others join in too. We all ended up screwing each other in the sand dunes one afternoon. It was great! ♣

# TAPED!

*Question: what do you get if you cross the Maltese Dildo with champion knuckle-shuffler* ***Allan Bryce****? Answer: we've got no idea at all, but we hope his mother knows about it . . .*

What a month I've had! Just recently my faithful old hound dog went missing while on his daily constitutional round the local park. Somebody suggested I put an ad in the paper to find him, which of course was a ridiculous idea because the poor fella can't read. Eventually he turned up in company with a stern looking copper who said, "Your dog's been chasing a man on a bicycle."

"That's impossible, officer," I replied. "He doesn't know how to ride a bicycle."

After all that aggravation it was quite a relief when Percy the Postman turned up with a bulging packet of porn to bring a bit of a spring back into my step and a crease back into my Chinos. First into the old Pornosonic was a mysterious little number called **Chinese Take-Off**, which got my old prawn balls quivering nicely. It stars Kim May Li, a gal who was voted China's most beautiful export by the makers of this tape (come on now, would they lie?), as an uninhibited Miss who comes to the UK to work in her father's take-away and thereafter gets flucked by just about every male customer. I always find the simple plots are the best.

The most intriguing part of the movie for me was its depiction of the ancient Chinese ceremony in which the parents of a child choose the baby's name: they throw all the cutlery up in the air, then listen to the falling knives, forks, and spoons: 'ping, chang, fan, fung, cheung . . .' Now, the Ed has told me to try and keep to a serious discussion of the merits of the movies concerned, so I won't sneak in the old gag about the meaning of the word Clunt – someone who walks out of a Chinese restaurant without paying; or the one about the Chinese newspaper reporter who bursts into the office shouting, "Hold the back page!" Instead I would have to say that on a critical scale of one to ten, *Chinese Take-Off* scores a five and a seven, which in native terms is Chicken Chow Mein and a portion of chips.

Moving smartly along on the steel toecap of the Ed's Doc Martens we come to **Hello Las Vegas**, a pretty diabolical effort that didn't give me so much as a slight raise (*you don't deserve one – Ed*). Basically this is a flashy *Folies Bergère* style Las Vegas stage show hosted by the aptly named Dick Price, an American comedian of such staggering ineptitude that I wouldn't even use any of his jokes in this column. What the hell was up with the producers? For a little more money they could probably

# GOBBLE!

*When it's time to lose a bit of weight, titanic taster* ***Nathaniel Fatbastard*** *goes ploughing at the health farm . . .*

The other day I was halfway through offloading a lasagne into the pink porcelain dump truck when the phone rang. Wonderful thing, technology. Now, thanks to the radio phone, you can say hello to a friend and goodbye to a big browny at the same time. Unfortunately it caught me trying to launch the shit equivalent of the QE2 down a slipway meant for motor boats.

"Fatbastard?" said the voice on the end of the line.

"Grrrgggnnngggggghh . . ." I replied in mid-strain.

"I'd like you in my office at one o'clock."

"Grrrrrggggaaahhh!".

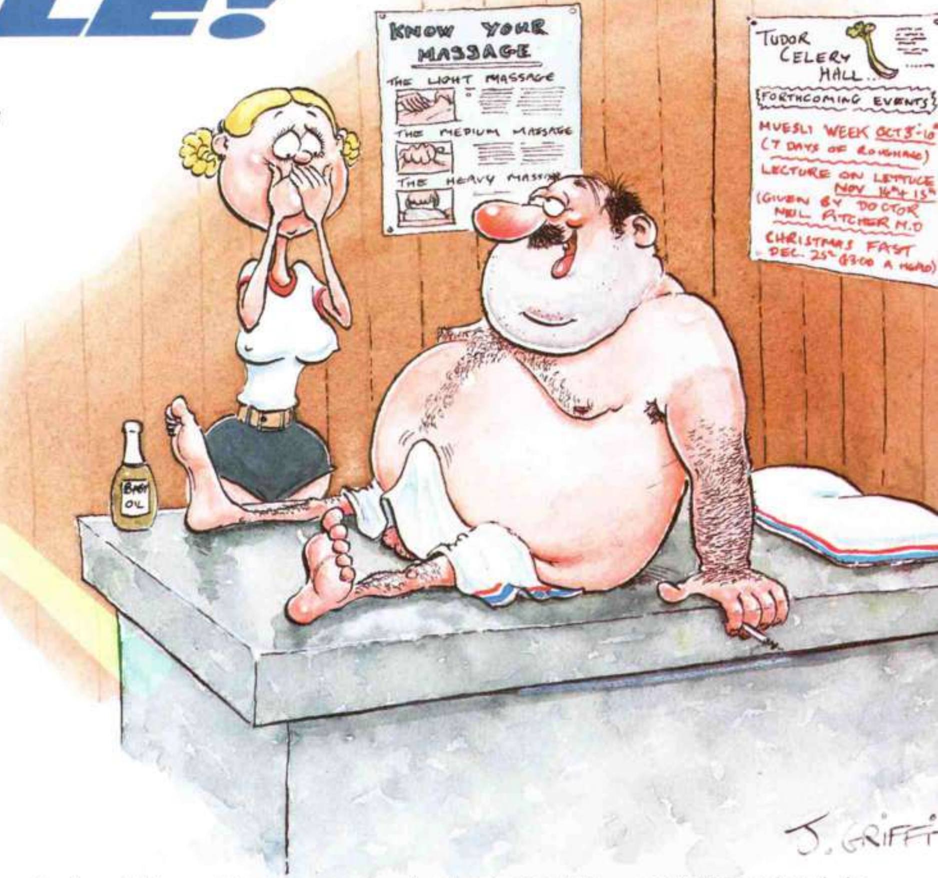
Kersplosh!!

"Okay," I panted.

I arrived to find Dominant Dowse in her usual, highly inadequate, PVC basque, keeping warm by whipping a Sub Editor for mispelling 'garbonza', and was shown into the Editor's office. Now, there are certain things you ought to know about Club's supremo. His name's Bleach – appropriate really, as you can usually find him standing in toilets – and he's thin. Very thin – the only magazine centrefold he'd ever make is *What Stick Insect*. He's the sort who says he doesn't have time for lunch. No time! If I was halfway through hand-to-hand combat with Bruce Lee, I'd have time for lunch. Secondly he has one of those spiky blond haircuts that looks like he tried to change the light bulb when he was in the bath. In short, he's a trendy bastard. That morning, he was wearing a blue suit, and with the yellow gelled hair was doing a fair impression of a used cotton bud.

"Ah, Fatbastard, I have a little job for you," he said. "It's a weekend at *Tudor Celery Hall*. I think you're just the man!"

He flashed me a picture of a converted stately home. Fucking great, I thought, two days of roast suckling pig stuffed with pheasants and swans, and served with a small bucket of *1973 Bordeaux Villages*. At last, Soho's less macho version of Lena Zavaroni has recognised that I'm a man of class. So I packed my machine-washable dinner jacket and headed for the West Country.



I knew something was wrong when I arrived to find everyone dressed in fluorescent lycra. Hardly suitable for a huntin', shootin', fishin', eatin', drinkin' and shittin' weekend. I had my doubts when I noticed that my room was minus that most comforting cupboard, the mini-bar. They were confirmed when they showed me the menu.

"You can have your meal in your room if you like, Mr Fatbastard."

"I'm not bloody surprised. You won't exactly get a

have got Ted Rogers.

Dick also fancies himself as a singer, but when he launches into a murderous rendition of *My Way* most of the audience launch themselves into the bathroom for an appointment on the white telephone. The girls are all beautiful, but they don't do anything more than strut around the stage waggling their threepenny bits. Give it a miss and try the Raymond Revuebar instead. (Do I get that raise now?) (*No – Ed.*)

Now those who read this column regularly will know that I'm all for women's lib. But if the gals in my next release were to burn their bras then the fire brigade would have to be put on overtime. Yes, it's been at least a month or so since we discussed ginormous knockers, so let's take our eyeballs out, polish 'em, and slip straight into **Big Boob Special Number 8**, which is a veritable feast of wibbly-wobbly-whoppers aimed at the sort of fella who likes his women to have more front than the French Riviera.

I've got to admit that I'm a sucker for this sort of stuff myself. I put it down to the fact that I was bottle fed – on Jack Daniels. Dirty Harry has nothing on the women in this movie – getting your head blown off by 44s like these would be a positive pleasure.

The action begins with a

# GET SOME THERAPY!

**Imagine the scene. Over *one thousand* girls. Gorgeous girls. With not many clothes on. And they're caged up together 24 hours a day. They haven't had any sex for years. *Prisoner Cell Block H* this *ain't*.**

**Yep, *Caged Heat* is another one of those torrid penal *(sic)* dramas that'll have you on the edge of your seat with your hands down your trousers, as the evil prison doctor and his lesbian warden administer the dreaded Corrective Therapy. Will the heroine be able to break out before she breaks down? And more importantly, will you be able to break in?**

**Well, you'll be able to give it a good go if you're lucky enough to win one of the copies we're giving away this month. Just take a look at the picture here. The doctor not only has an extremely offensive moustache, but also seems to be doing something very strange with his knobs. fucking hernia carrying it, will you?" I replied.

Evening meal consisted of steamed whitebait, salad, fresh fruit and a glass of carrot juice. That anorexic bastard had booked me into a health farm!

Dinner arrived at 7.30 pm. By 7.31 it was over, and with a belch at 7.33 it ceased to ever exist. At 8.30, I had to meet the stupid sods who were paying £200 a day for something you can achieve just as well by forgetting to go to Tesco's before a Bank Holiday. As a celebration, we were allowed a glass of white wine. I was caught trying to run off with a litre of their watered-down plonk.

"Mr Fatbastard! Why are you putting that wine down the inside of your trousers?" asked one of the manageresses of this yuppified Tenko.

"It's where piss usually ends up, isn't it?" I replied wittily.

The next morning, I was woken at sparrow fart by a call to go for a run. I managed to skive off by telling them about my bad knee – an old drinking wound – then watched from a window. If you ever wondered why they call it jogging, you should see 20 fat old cows running in leotards.

After what even a dieting sparrow wouldn't call a hearty breakfast, there was a choice between aromatherapy, which sounded to me like farting your way to fitness, or massage. Naturally, I plumped for the latter.

This was more like it. A big blonde Swedish girl with muscles in places well worth developing started kneading me like a lump of dough. My Mother's Pride hadn't enjoyed itself so much in weeks and rose without adding the yeast. Then she started rubbing baby oil into my important little places before wrapping me up in silver paper like a roast turkey.

"Now you sweat off some of that fat, ya?" she said.

"You bet, darling!" I cried, ripping off my Bacofoil and pulling her on to the table for a stuffing she wouldn't forget. Unfortunately her screams of pleasure brought the carrot crunchers running. They threw me out.

On the Monday, I had to report to Editor Bleach. I told him it was a bloody health farm and the bastard laughed. Still, I did manage to lose a couple of pounds. The strange diet caused me to fart a little over-enthusiastically in his office, and I left them on the chair . . . ♣

**Life as a top business executive can be a thankless task, as JT from London told us: "Thank you, Club, for Filosex. It's saved my job! The problem is that I have a very sexually demanding female Managing Director. Unfortunately her face looks like a rotten apple with a bite taken out of it. Even with sessions of fantasy role playing I was beginning to find it difficult to raise a hard-on when she demanded a bit of leg-over-time.**

**"But now I've been saved by the gorgeous women in Filosex which I can open on the desk behind my balloon-like boss. I imagine that I'm shagging a Club lovely, and will undoubtedly secure my place on the Board of Directors."**

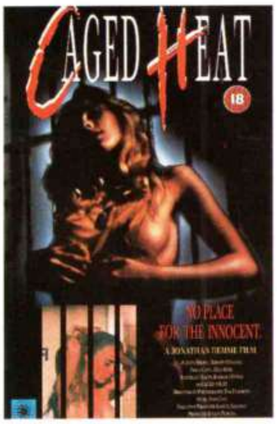
beautiful young lady biker drawing up next to a stranded stud and slowly unzipping her leather jacket to reveal a massive pair of mammaries. "Blimey!" says the lucky lad, "and I always thought they built the shock-absorbers into the bikes!" Then, before you can say 'Get off and milk it!' the randy couple are at it in a nearby field, causing worried Friesians to head for the hills.

The rest of the tape is made up of scenes of well stacked females soaping themselves in the shower (without getting their feet wet) or rubbing gallons of baby oil all over their forward thrusters. One particularly buxom creature tells us that her boyfriend likes to stuff his Brighton rock in between them and shoot his bolt. I guess his name must be Bernie. "It's supposed to make them grow," she smiles. If that's the case she should stop now – she must already have had more semen than Moby Dick!

Next we're off to Italy, the land of Cornettos and Marlon Brando impersonators. Plenty of each are in evidence in **A Pleasure So Deep**, a tale of dirty double-dealing that's filled with really rampant raunch. This surprisingly explicit 18R release chronicles the erotic adventures of the Angeloni family, who use their undertaking business as a front for an ambitious counterfeiting operation. The most practised member of the family when it comes to handling stiffs is the gorgeous Mama Angeloni, a lady of mature years and silicone-perfect chest. While she's at it with everyone in trousers, and a few in skirts as well, her husband Mario is more interested in shafting the busty servant girl who wanders round the house wearing little more than black stockings, suspenders, and a hint of Chanel Number 5 . . .

Mario eventually turns his attention to the lovely and virginal young Angela (Lauren St Germain), who sensibly won't have anything to do with him without first seeing a doctor's certificate. Actually she wants him to renounce his criminal ways, but he's not ready to do that until he completes his latest big money transaction. Will he end up with the lolly? Will he give her some as well? All these questions are answered in a climax so steamy that you could make a pot of Earl Grey with it.



And finally we come to our competition of the month, which this time out is a classic chicks-in-chains melodrama called **Caged Heat** (turn to page 15 for details). Made in 1974, but only just getting a video release (on parole), this is the harrowing story of two dozen Playboy centrefolds cooped up in inhuman conditions and forced to take showers 20 times a day by the twisted lesbian warden. In the end they decide to mount a mass bust-out (there must be a joke there somewhere) before their skin gets all pink and wrinkly, and the stage is set for an action-packed finale. Social drama at its finest – and lots of big tits too. I'm off to get myself nicked.♣

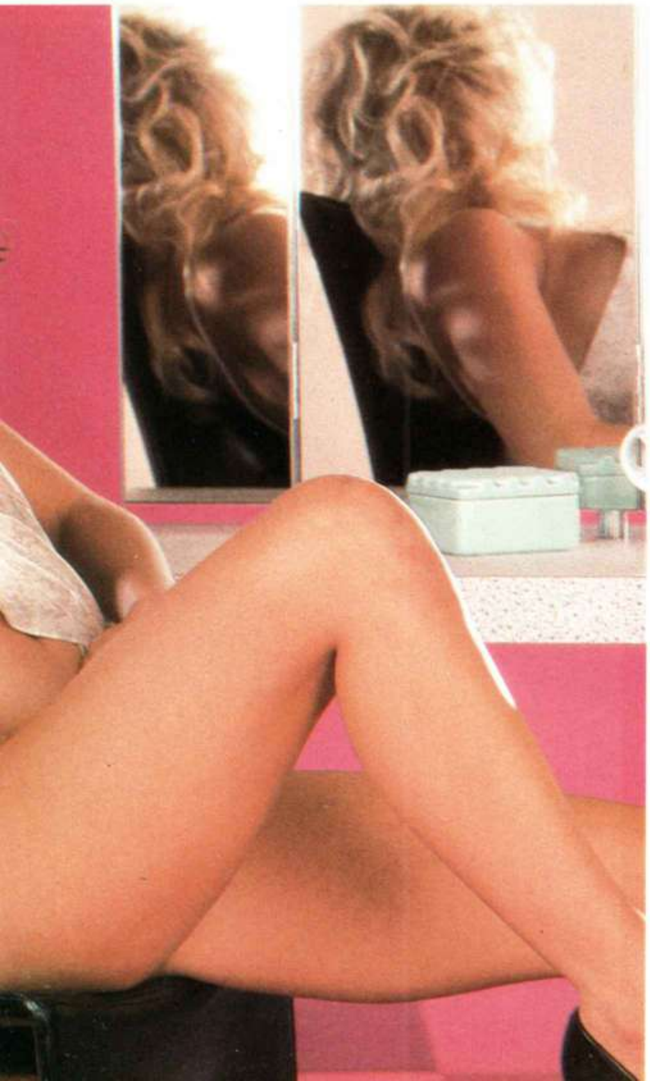
# Elizabeth

PHOTOGRAPHS BY SUZE RANDALL

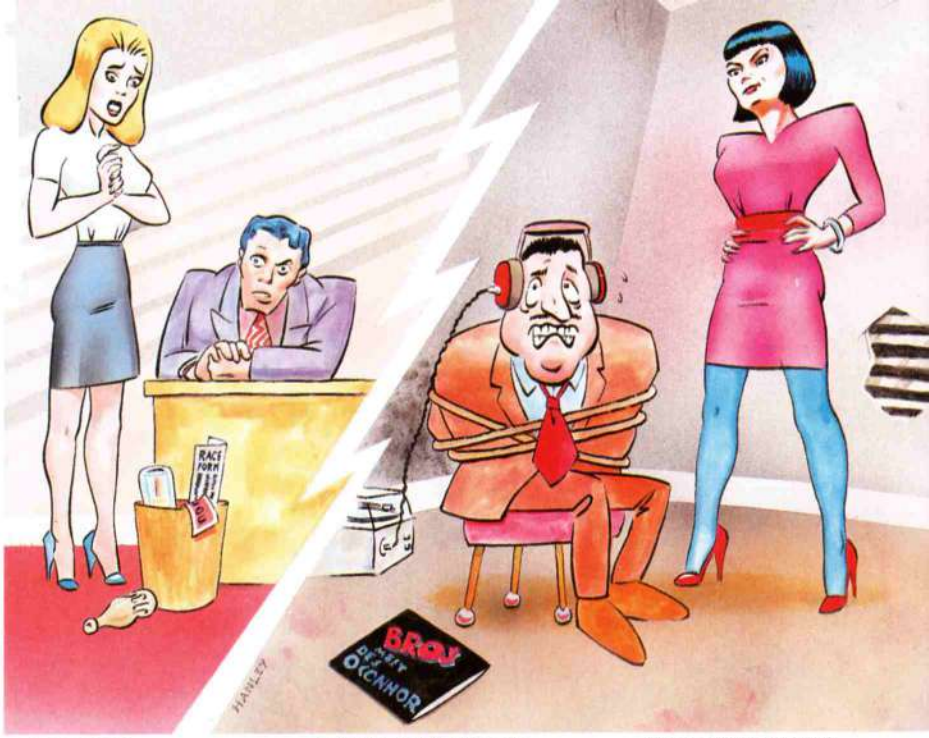
*Looking at Elizabeth you can't ignore her fabulous bottom. A behind so incredibly smooth and rounded that if you look closely you can actually see that it shines! We were keen to know if she was born with this beaming bum or whether it was a result of too much rumpy pumpy on silk sheets.*



*"I expect you all know what that entails but after baring my bits for you I feel very sexy and I'd love to tell you. Men like me to be really naughty, stripping off slowly, fondling my tits until my nipples go hard, then spreading my legs. Then I turn on the excitement, slipping a couple of fingers into my pussy and then popping them straight into my mouth. This makes me all damp and feeling horny because, like most girls, I adore the taste of my own love juices. But I've also got an insatiable appetite for a certain kind of creamy juice that only guys can give you. A good dose of that in the right places hasn't done my bum any harm!"* ♣

# DICK!

*There's a strange buzz in the air as our ham-fisted gumshoe ponders the first part of a double knuckle thriller, The Queen Bee Caper.*



The name's Slick. Richard Slick, Private Eye. I've cracked more cases than a Heathrow baggage handler.

I was sitting in my office trying to keep cool. The city was hotter than a napalm Vindaloo washed down with a Molotov cocktail.

Thinking about things that make you sick reminded me of my ex-wife, Sylvia Ditten. Jeez! Was she dumb. She once read an article that said women should experiment more in the bedroom, so she bought a book on nuclear physics and blew the roof off our apartment.

Sylvia! She took half of everything I own. That's why my socks don't match and my hat keeps falling off.

The office doorbell rang. It said it had a headache and wouldn't be in to work today. I slammed down the receiver before it could press me for a raise.

There was a rap at the door. I opened it. Outside in the corridor there was a pool of water and a strip of sand. It was a beach wrap. I told it to go jump in a lake.

A few moments later the door opened and a dame stepped in. She was a green-eyed brunette with more wavy lines than a Russsian TV screen. And by the way she was looking at me I could tell she was thinking about a horizontal hold.

I looked her up and down. Something about her rang a bell. It was probably her index finger, but she could've used her nose if her hands were full.

"Don't I recognise you from somewhere?" I snapped.

"Perhaps," she squealed, in a voice that was as cool and husky as an eskimo's dog. "My name is Lucille Scratchensqueak. I'm a singer at the La Squirta Opera House."

Scratchensqueak. I knew the name. Her husband was Roland Scratchensqueak, the orchestra conductor. What a guy he was! Any man that gets up in front of 5,000 people and waves his baton about in time to the music gets *my* vote.

"We have a problem at the Opera House," Mrs Scratchensqueak sobbed. "A tenor is missing."

"Lady," I barked, "I charge 100 bucks a day plus expenses. Even a retarded aardvark could see it ain't worth your while to hire me to look for a lost tenner."

Mrs Scratchensqueak sighed. "Forgive me if I appear rude, Mr Slick," she oozed. "But what've you got between your fucking ears, cavity wall insulation? A *tenor* is missing, not a tenner. To be precise, the world's greatest tenor, Lunchiano Fattbotti. Have you heard of him?"

Lunchiano Fattbotti. Of course I'd heard of him. The guy was so fat when he crossed the street traffic treated him as a roundabout. When he walked down the sidewalk weighing machines hid in doorways.

"Sure I know him," I snapped. "Skinny little Italian guy. Looks like he's got anorexia."

Mrs Scratchensqueak smiled sweetly. "Listen, Mr Slick, Lunchiano Fattbotti may be the biggest thing since Barry Manilow's handkerchief, but the Opera House wants him back. It took my husband five years to persuade him to come to the US. And I can tell you that he didn't come cheap."

"Sure," I cracked. "He went ah-ah-ah-oh like everybody else."

Mrs Scratchensqueak punched me in the face.

"You better give me the facts, ma'am," I said, when I woke up.

"We were rehearsing. We're staging a new opera, the story of a passionate Spanish Geordie girl named Carpet."

"Do you play the part of Carpet?" I asked.

"No. I play her friend, Underlay."

It figured. By the look in Lucille Scratchensqueak's eyes I could tell she'd spent plenty of time on the floor underneath a shagpile.

"Lunchiano plays the part of a leading politician with a big chopper," she continued.

"I get it," I barked. "He's the Axe Minister."

that beach, arse upwards, her left hand between her thighs, looking as if she was giving herself the most satisfying wank ever. A similar photo of the delicious Lynette, seemingly wanking herself senseless in Vol 18 No 3, has got me going each time I've looked at her set these last three months.

So, how about featuring more models in wanking poses, or doing it for real in their photosets? Both Lynette and Stacey were so convincing, they looked to me as if they were about to come at any second. And with shots like these, I certainly need no better encouragement for coming along with them! – *John, Sheffield*

## Tit Treats

I had to write to echo the delight expressed by Paul from Doncaster in Vol 18 No 5, in large, pink areolae. For me, this is the crowning glory of a woman's body which reaches even greater perfection when her nipples stand out, firm and erect, just asking to be nuzzled and licked and showered in spunk.

I have always loved girls with tits like this. One girl I went out with for quite a while, and whose tits I still have wet dreams about, was Tracey. The first time I met her she was wearing a tit-hugging white jersey and no bra, showing clearly that her sizable, bouncy boobs were topped with broad, dark areolae; her firm nipples

*Ah well, so much for the acid rain theory!*

**Dear Sandra,**

**Ever since I saw you in Vol 18 No 6 my prick has been quivering with excitement, and I keep on coming back to toss off over your cock-tingling picture set. Your lips are red and luscious and I'd love to be kissed, nibbled, even bitten by them wherever you wanted. Even more, though, I'd like to kiss your lips – and I don't mean your mouth.**

**Your quim is a pussy-lover's dream, your cunt lips even more beautiful in their soft pinkness than your red mouth. I would just love to kneel in front of you as you sat in the chair in your set, the moisture just dribbling from your pussy in expectation of what I'm about to do to**

"On Thursday," Mrs Scratchensqueak purred, "Fattbotti went into his dressing room. He never came back out. He disappeared without a trace."

"Was there anything unusual in the dressing room?"

"Yes. Some pollen and a smell of flowers."

"Anything else?"

"There was a strange humming."

"That was probably Lunchiano," I snapped. "Fat guys sweat a lot in hot weather."

"No. I mean a noise. A humming noise."

I thought for a moment. "Tell me, Mrs Scratchensqueak, was there any sticky glop splattered around the place?"

Mrs Scratchensqueak looked about as shocked as if her diaphragm had just exploded. "How did you know that?" she squealed.

"By putting two and two together," I snapped. "Lunchiano's kidnapping is part of a series. So far this month he's the third famous guy to get abducted. The others were Drooper Vangross, the soul singer, and William "The Garbage Truck" Gutbucket, the 69ers' linebacker. Apart from the pollen, the flowers, the buzzing and the honey, the crimes have one other similarity – the victims. Vangross, Gutbucket and Fattbotti all have one thing in common. Care to tell me what it is?"

Lucille rubbed her chin thoughtfully. "I'll take a wild guess," she groaned, "that all three of them like to rub themselves in baby oil and then roll around on a polythene sheet with half a dozen nubile teenage nymphettes?"

That's the trouble with broads. They always state the obvious.

"Apart from that," I snapped, "all three of them are Lard Tubs. Taking the other evidence into account I'd say they've been abducted by Queen Bee, the most dangerous, beautiful, nymphomaniac criminal mastermind the world has ever seen. If we don't get to Lunchiano quickly he'll never sing male lead again."

"You mean Queen Bee will kill him?" Lucille sobbed.

"No," I barked, "she'll just fuck him till his balls fall off."

I grabbed Mrs Scratchensqueak by the elbow and led her out of the office. We had to act fast or Lunchiano Fattbotti would be kissing his arias goodbye.

Down on the street it was quiet. Perhaps a little too quiet . . .

*(Will Slick get to Fattbotti in time? Or is it curtains for the big man from Italy whose buttocks weigh more than the gross national product of Chile? Find out in next month's thrilling episode!)* ♣

# TOP TITS

**The name's Breast, George Breast. You probably know me by my code name, DD-Cup. I like my tits shaken, wobbled or joggling up and down, but never stirred. I've got a licence to feel and I WILL use it.**

**I've come up against some of the best breasts and the most evil minds in titdom in my fight for the protection of great boobs. I was personally responsible for the demise of Gold Fingered Pussy Galore's wicked plan to rid the world of big wobbly breasts. She tried to make every lady flat-chested and peanut-nippled in her attempt to make the cunt the only female erogenous zone.**

**There is not a woman alive who wouldn't love to be groped by my expert hands but I'm kind of choosy. I like firm breasts, the sort that hold their own on the loose, the sort that can stand up for themselves even in an earthquake.**

**So don't worry guys, as long as I've got a hand to grope with and eyes to ogle, the tits of the world will be safe in my hands. – *George Breast* ♣**

**you. I'd caress your lips gently with my fingertips, probing the fleshy wetness between the squishy folds of your divine cock-hole, then I'd make your juices flow by licking you, devouring your juices and nibbling at your clitty.**

**As I knelt there for you naked, satisfying the lusts of your pussy, my cock would be rigid and throbbing. After your cunt had had its fill from my busy tongue and fingers, I would be in your power, ready to receive whatever reward you thought my cock deserved. I'd love to hear what rewards you'd give me, Sandra. – *Des, Telford***

***I know what kind of reward a guy like you deserves, Des – you deserve to have me sucking your cock. What I picture is that we swop places in the chair, so that I kneel in between your legs, just at the right height for your throbbing penis. I'd kiss and love it with my horny little mouth and tongue, and milk it dry. I'd take the last blob of spunk on my face, so that you could see your come dripping all over my lips. I think that's reward enough, don't you?* – Sandra**

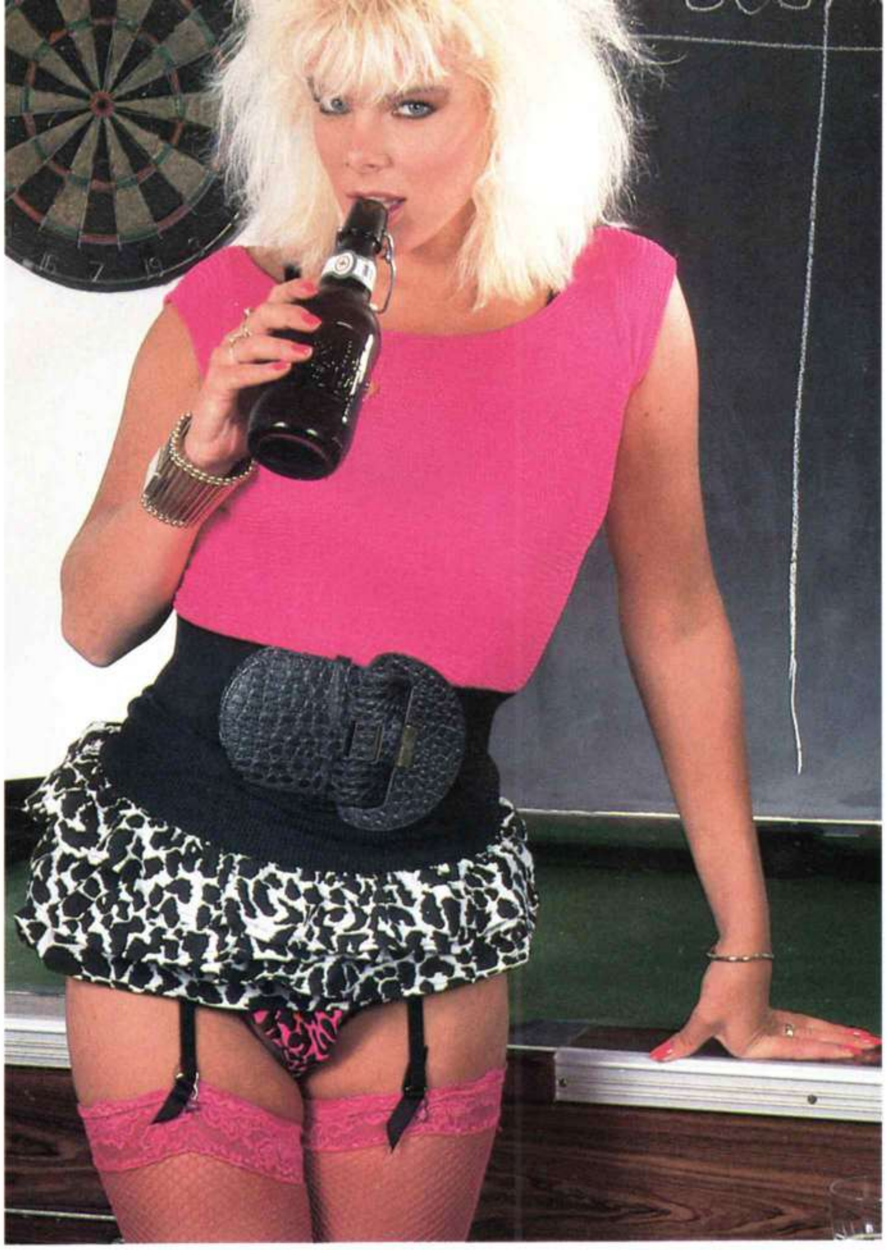
# ASK ANDREA

YOU NAME IT,
MS CLARKE WILL DO IT!



As you all know, I'm not much of a sporty girl – all the games I like to play are in the bedroom! But when it comes to the idea of putting balls into holes with big sticks you can bet that I'll be first in the cue. *(Groan – Ed.)*

So when the Ed confessed that the office had been snowed under with requests to see me kissing the pink on the green baize, I could hardly wait to get stripped off and get out there. So many of you wanted to see me playing pool that I can't possibly mention you all, but my favourite one came from a group of guys from a certain pool pub in Stockport. This is what they asked me:

"We're all great fans of your column, Andrea, and on our nights out we usually end up having a few beers and discussing what you've been up to that month. We'd love to see you in all your glory spread out on the green baize of a pool table. The bright green would show up your blonde hair and pussy to mouth-watering perfection!

"We all fantasize about you spreading your legs as you bend over the table, rubbing your hands up and down the cue in a dirty way! As you bend over the table to take your shot, your mini-skirt would ride up, showing us your moist pussy and fabulous legs. Then we'd like another view from the front, with your squashy boobs hanging over one of the holes as you aim for the opposite corner. The look on your face as you did that would tell us everything we wanted to know about how naughty you are.

"If you did this for us, Andrea, you can be sure that not many games would be played at our next session – we'd all be too busy wanking!"

The idea of all those guys wanking over me made me feel so randy that the pool shoot was a real success, although I didn't manage to pot too many balls. Well, not then anyway . . . ♣

# letters to ANDREA

**Dear Andrea,**
I have just finished reading Vol 18 No 6, and the letter from Marion has compelled me to write to you.

I enjoy your section in Club the most, but even if some of the other girls in Club are just my type, I have to say that I would sooner spend the night sucking *your* nipples and juicy pussy. I think you might like me too! I am 24 years old with a 36c-28-35 figure which I love to show off in sexy clothes. It was the letter from Marion asking you to dress up that got my pussy so wet I had to wank myself. I love getting horny when I'm getting ready to go out, as you were doing in that issue.

I have a rather large wardrobe, as I could see that you have. I would love to look through your wardrobe and to try some of your favourite outfits on; that

would turn me on so much that if you were there with me I would have to make love to you there and then.

I would start by rubbing warm baby oil all over your fantastic body very slowly, which would turn you on, and then I would gently suck your nipples and start rubbing them. After a few moments you would have your first orgasm, and I would start licking your by now soaking love hole.

I part your lips and in one long stroke of my tongue work from the bottom of your pussy up to your hard, erect clitty. I get into a rhythm and start licking faster, and you start to buck your hips, pushing your pussy harder into my face. You let off a scream as you come in a flood, and I drink your love juice down to the last drop. You taste delicious, Andrea, and this sets me off into an orgasm of delight, coming as I wank myself.

After that we change places and you do the same to me, after which we have a shower and then we do what I have wanted to do from the first time I saw you in Club – you pick out an outfit for me to wear and I pick your outfit, and we hit the town!

That is my ultimate fantasy about you and I would do anything for it to come true. The only thing is I know it can't, so I'll just have to keep wanking over your pictures. – *Catherine, Middlesex*

*I love having a girls' night on the town – in fact, I enjoy it almost as much as a girls' night in!*

---

**Dear Andrea,**

I have always been an admirer of you as a model, even before you began your regular feature in Club. Here is the fantasy of you which I would like to see in the magazine.

You are in an expensive restaurant, wearing a long, white, backless dress which is nearly frontless too. Halter-neck style, its thin material clings to your tits, your nipples poking through like organ stops. Sitting at the table drinking wine and sensuously smoking long cigarettes – I get a real hard-on when I see sexy girls smoking – you move the material of the dress to show your white stockinged legs.

Leaving the restaurant by taxi, you begin to put your hand inside your knickers and rub yourself into a frenzy. You arrive home and this is where I come in. Standing in front of me in the most provocative way, you light another cigarette and gradually strip. When you end up only clad in stockings, suspenders and high heels, you bend over the bed and I enter you from behind.

Obviously a photographic spread would not be able to show *all* of this but it would be great to see most parts of my fantasy. Here's hoping! – *Brian, Bristol*

*I love the idea of that revealing dress, Brian – but I'm trying to give up smoking at the moment, so if I do this one I'll have to do it quickly!*

---

**Dear Andrea,**

To me, you're the perfect woman. I love seeing you in all your glory every month in Club. You look fantastic month in, month out.

My fantasy would be you dressed as an air hostess on a flight to some exotic location. Your uniform would be a little too tight over your perfect figure. I first see you as you begin serving champagne to some passengers in the next seats to me. You can't reach so you lean a little more and your skirt hitches up, revealing a white suspender belt and white lacy panties. On purpose I drop something and when picking it up I slowly run my hand up over your white stockings.

You turn, and I notice that sparkle in your eyes. I can't believe my luck when you hand me a napkin with something scribbled on it: "Meet me in the toilet at the front in five minutes." I get hard just anticipating what's to come.

When I knock three times on the door, you hastily pull me in. Without further ado, you lift your skirt. I pull your panties to one side and insert my tongue into your already soaking cunt. As you shudder and climax I stand, drop my trousers and slide my prick into your hole. I begin to thrust and thrust; it's lust between us and we both climax together.

It's all over quickly; short but sweet. You calmly straighten your uniform and leave, and I return to my seat. I can hardly believe it's happened, but the ache in my prick proves it has.

If you haven't already graced the pages of Club as an air hostess, please could you do a spread as one? My prick, and probably thousands more, would be wanked off over it. – *Keith, Manchester*

*It's always great to have letters from my home town, Keith, so I'll do my very best on this one. Any preference as to which airline? And I have to confess that, although I haven't joined the Mile High Club as yet, I certainly intend to!* ♣

**Well, what would YOU like to see Andrea do? Write to her at Club International, 2 Archer Street, London W1V 7HE and leave the rest to us!**

## Sexy singer shows *SO MUCHO!*

# THE HIT LIST

### NUMBER EIGHT

# SINITTA

SULTRY SONGSTRESS SINITTA CONFESSES SHE'S ALWAYS LIKED THE IDEA OF SEX . . . IN FACT, SHE LIKES IT SO MUCH SHE CAN'T KEEP HER KNICKERS ON, AS OUR INTIMATE SHOT SHOWS! IN THIS PROFILE, **TONY FOYLE** CHECKS OUT THE CAREER OF THE GIRL WITH THE LONGEST LEGS IN POP.

Not too long ago Sinitta was nearly arrested – for having nice legs. A trip to Abu Dhabi proved a rather harassing experience: "If I went outside for a walk, the local police would send me back to my room because of the way I was dressed," says the sexy songstress. The Arabs, it seems, don't know what they're missing.

As far as legs go (and these ones go all the way up to the ozone) Sinitta must have the most celebrated pair of pins in the business.

Whenever she wiggles her way on to television a million male viewers – with the help of like-minded camera crews – simultaneously crane their necks to get a better view of where Sinitta's lower limbs exactly do end up. Yet she's only 5 feet 4½ inches tall . . .

"I think it's because I wear such short skirts that I appear to be so leggy," she says thoughtfully. "I show my legs off because they're all I've got."

But all the same, wouldn't she rather be known for something other than a pair of very chewable thighs?

"Most intelligent women are bright enough to know not to appear too intelligent all the time," says the girl without an O level to her name. "People find it irritating. Personally I don't need to be thought of as a great person or a clever person as long as my career is working."

Sinitta's career began nearly 20 years ago when she started working as a child model in America. She was born, along with twin sister Greta, in 1966 in Seattle to singer Miquel Brown. Miquel was only 15 herself at the time and Sinitta never knew who her real father was. Six years later, as her mother's own career was taking off, Sinitta went off round the world, leaving Greta behind in the States.

"I used to go to all mum's shows and they had to stop me trying to get up on stage to join her. I started to try on all her stage clothes and expensive perfume and got *murdered* for it."

They eventually landed up on the South Coast of England where her mother enrolled her in St Mary's Gate Boarding school for girls in Bournemouth. Fellow classmates and the teachers remember her well: "She only had to walk into the classroom and there'd be instant havoc," one former pupil remembers. "Sinitta would look the teachers squarely in the eye and stand up to them. She wasn't frightened at all."

One teacher demanded a little more attention than most. "I had a crush on the Geography teacher," the singer giggles. "He was good looking and had a very dry, sarcastic sense of humour. But I went off him when I realised he preferred the class swot who was really into Geography!"

She turned her attentions, instead, to boys outside the school – "I was ambitious and it helped me get along better with men in general" – and was finally expelled for skipping lessons and unruly behaviour.

> **"I like wearing short skirts and high heels"**

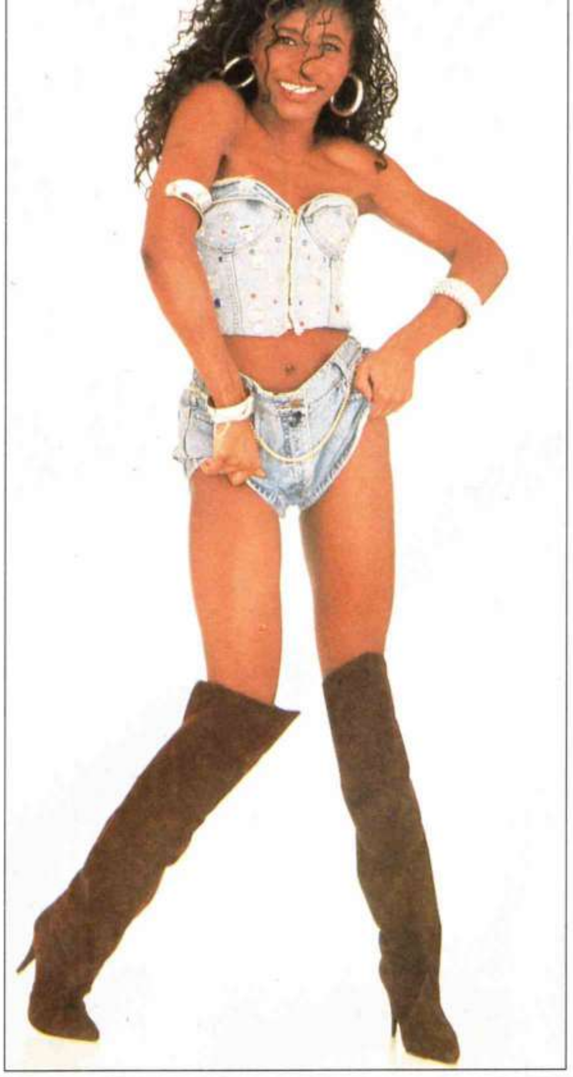
"I hated the place so much, I used to make myself sick in front of the teachers. Eventually they'd had enough and threw me out." She reckons that was one of the best career moves she ever made.

By this time she had a taste for stardom and a role model in the (then) up-and-coming Madonna. "I admire her because she is an obvious superstar. I like her attitude too, because she knows what she wants to do and she just does it."

Unlike Madonna, however, what Sinitta didn't see as a career move was losing her virginity. For her it was a way of satisfying her fascination for sex.

"I think I've always liked the idea of sex ever since I was young," she explains. "However it wasn't until I was 18 that I decided to do something about losing my virginity. I was with my second boyfriend at the time and I was desperate to see what it was like."

Having satisfied her curiosity, not to mention her boyfriend, Sinitta unwrapped her legs and took them off to London. She eventually landed a West End part in *Cats* and later in *Mutiny*, alongside David Essex. Despite Mr Essex being old enough to be her father (whoever he was) the two



> **"I've always liked the idea of sex"**

had an affair which ended when she found out the Jolly Rogerer was splicing somebody else's mainbrace.

"Obviously I wasn't woman enough to hold him," she ponders philosophically, "because he needs more than one woman and I'm not the kind to be one of a harem."

By then the release of *So Macho* saw her singing career take an upswing and she sought solace in the muscular arms of one of her backing singers, Sam Connery. The relationship was a stormy one. Last September, the couple were slammed for allegedly wrecking a hotel room in Gibraltar. Barely a month later they hit the headlines again when Sam threw a wobbly – plus various items of furniture – in Sinitta's own house in Fulham. The cause of the outburst was her interest in male model Thomas "Carling Black Label" Arklie, who she now goes out with.

Curiously, earlier this year all three teamed up for a special tour. "The atmosphere was electric," says Sinitta. "I like the two men thing – the idea of a ménage à trois would be very romantic."

But then she's always been a bit of a good time girl: "At parties I get stuck into tequila and champagne slammers. You have to go to bed immediately afterwards of course! Otherwise I go for wine, vodka and orange. I tend to jump in at the heart of things when I'm drunk. I arrive as this quiet person at the beginning of an evening and by the end I'm as loud and lively as they come. All thanks to tequila slammers!"

Her sexy image and much-publicised social life have attracted interest from all quarters. There have been offers for her to appear nude alongside her mother and plenty of film roles in the offing, though not all of them are to her taste.

"I'm constantly asked to play the child whore in the little mini-skirt standing by the bar in a seedy club. Most of my parts are not only awful, but they don't even require me to speak!"

She suffered a further knock back when a trip to America to sound out the world of acting met with a punchline delivered well above the belt. Executives at Columbia Pictures said if she wanted to get anywhere she'd have to do something about the size of her boobs. "I'm in very good shape, but not the shape they want. I spoke to some Hollywood surgeons about it, but I'm still not sure about having it done." Hollywood or Bust indeed.

For the time being she'll be focussing attention on those endless legs and to hell with Arabs and feminists. "I'm an entertainer and I like to dress up and look glamorous. I like wearing short skirts and high heels. I've no time for feminism. I have no need for it. I'm just happy being a glamorous showbusiness personality."♣

Unless you've suddenly gone blind or experienced a power cut in the last few seconds you won't need us to tell you how stunning 22-year-old Cheryl is. But just in case, here's Cheryl herself to tell you what you're missing.

"Well, looking at these photographs you'd think I was far more experienced at doing sexy things than I actually am," laughs Cheryl.

"I didn't lose my virginity until I was 20 although I'd come pretty close once before. I was at a party and my best friend's brother took me into a bedroom for a bit of kissing and he ended up with his hand up my dress and one of my boobs in his mouth. I was loving every minute of it but I suddenly came over all shy and wouldn't let him go any further.

*"Usually they've had quite a few lovers and have great experience in making a girl happy," divulges Daisy, as she pops a stray nipple back under her sweater with a gentle tweak. "I was once mistress to three men at the same time. I had to time things pretty well so there wouldn't be one knocking on my door while I was still in bed with one of the others, but it was well worthwhile.*

*"I seem to be able to please men much older than me by just playing with my tits and slipping*

*fingers into my pussy. "Older men really know how to use what they've got and don't mess around chatting me up if what they really want is to take me to bed. Older guys seem to want to try anything, and I mean anything. I once screwed with a 50 year old guy in a Mini and I can assure you he was a lot more nimble than you might think!"* ♣

**"Do you have experience?" the chief asked.**

**"Go into the woods, find tree with knothole, and practise. Come back in two weeks and I will give you squaw."**

**"You have experience?" asked the chief. The boy nodded. "Good, now you have experience you can have squaw. Little Flower, come here! This brave has no experience with woman. You treat him well."**

**Smiling, Little Flower took the young brave by the hand and led him to her teepee. There, after they had undressed, the brave told Little Flower to turn around and bend over. Puzzled, she complied, then shrieked when he kicked her up the arse.**

**"What you do that for?" she asked.**

**"Me no stupid. Me check for bees!"**

**What did the blind man say as he passed the fish market?**

**"Good morning, girls."**

**What's the difference between a bowling ball and a cunt?**

**You can only fit three fingers in a bowling ball.**

**A drunk walks into a pub and says to the landlord, "If I can make my arse sing, do I get a free drink?" The landlord agrees. The drunk jumps up on to the bar and takes a disgusting dump. The other people in the pub go screaming out into the streets. The landlord is furious. "Why the hell did you do that?!!" he screams. The drunk replies, "Well, even Cliff Richard has to clear his throat." ♣**

were cheekily asserting themselves through her thin jumper. I think Tracey knew from my reaction what she could expect from me.

When we were alone it wasn't long before she let me admire and fondle her glorious tits. But Tracey was no fool and used her breast-power to get what she wanted from me. She adored having her pussy licked out and made sure I satisfied her craving for cunt-tonguing before she allowed me to unleash myself on her tits.

She was magical in the art of tit-wanking, and I'll never forget the first time she gave me one of what she called her special 'tit-treats'.

My cock was already well-primed since Tracey had demanded, after I'd been playing with her clitty, that I finish her off with my cock inside her cunt-hole. It didn't need many thrusts, but Tracey seemed to have such a big orgasm that I could tell I was in for something special when she started fingering her nipple-buds, making them stand out hard, as if they were as excited as my dick.

"Have a nice long look, breast-boy, and I'll give you a tit-treat you won't forget," she said. Her boob display itself was cock-teasing enough, but I knew there was more to it. She made me sit on the edge of a chair and knelt in front of me. She didn't take full hold of my shaft, but just grasped it at the base to stop it bobbing about. She then brushed my cock a few times lightly with her tit-flesh and I thought she was just going to wank me off between her boobs.

She grinned at me and, still holding my cock steady with one hand, she held one of her tits in the other and started rubbing her hard protruding nipple on the sensitive spot at the base of my glans. "Like it?" she murmured. My cock was so excited it started tingling the minute she started. "It's nice, isn't it?" she said. "I could bring you off rubbing on this spot with just one finger, or the tip of my tongue – but I think you'd rather I did it with my nipples, wouldn't you?"

As she carried on teasing my prick with her firm nipple, I could feel a tickling in my cock which I knew was pretty soon going to make me spunk. Eventually my cock could take no more and, jerking wildly, sent streams of creamy spunk over her tits, so that it ran down over her still-hard nipples.

I'd like to tell you of some of the other tit-treats Tracey dreamed up for me, but thinking about her is fast bringing on a wet dream about her unforgettable nipples and areolae and her soft, fleshy bosom. – *Arthur, Liverpool*

### Bob's Your Uncle!

As the saying goes, a wife should be a cook in the kitchen and a whore in the bedroom. My wife Sue is mostly the whore.

Sue is tall and dark skinned, with long brown curly hair and huge tits with nipples a full half-inch long. She is always ready for fucking.

One night my mate lent me a porn video and Sue and I sat down to watch it. Porn films always make Sue as randy as hell. About ten minutes into the film she set to work on my prick, wanking me slowly and all the time whispering how she loved the taste of my spunk and how she loved being fucked hard. It was at this point on the video that the screen showed one bloke with two girls. This caught Sue's attention.

"I bet *you* would like that," she said.

"Fucking right," I replied.

"Well, there's a girl at work who I am friendly with at the moment and she does this all the time; we were only talking about it at lunch

# O'REILLY'S BOOK OF RECORDS

*It's monkey business as usual with perverse recorder* ***Declan O'Reilly.***

It's such a wicked world, readers, isn't it – I'm sure you'll have gathered that from this month's column. There's no telling what lengths people will go to to get into my book of records. But so long as they keep to their *own* lengths that's fine by me.

Some people who definitely kept to other people's lengths are the co-holders of the record for the MOST FREQUENT USE OF BESTIALITY IN A DAYTIME SOAP OPERA. I always thought there was something funny about those foreign soaps, and now I'm certain.

The record is held by *Keep It In The Family*, an everyday tale of Tasmanian folk in a pube-perming parlour, which ran from 1971-75 before it was pulled off the air. It all started when Boddlie Bramshoop, the father, was spotted masturbating a fruit fly which had inadvertently crash-landed in his beer. This proved so popular in the ratings war that bestiality was introduced as a regular feature of the show.

It was not unusual for people to conduct, on screen, oral sex on an over-curious wildebeest, tickle passing possums' testicles with pieces of tagliatelli, or invite stray reindeer back to their homes "for coffee". One woman even cited a rare Tasmanian otter in her divorce proceedings, and was granted a decree nisi on the grounds of unreasonable behaviour.

In all, 167 such incidents were counted during the show's run – the most perverse featuring two ducks, a bowl of tropical fish and three tablespoons of Nesquik – before the show was axed following complaints by members of the National Dairy Council. "Abusing animals is one thing," said a spokesman, "but when someone starts sticking their dick in a milk based product it's time to take the appropriate action." And about time too. Be seeing you! ♣

time," Sue said. "I was in the lift at work with her last week on our own when she stopped the lift between floors and made a pass at me."

"What did you do?" I said, hoping for some more details.

"I told her that I don't sleep with girls," Sue said, "but she asked if I thought you would fancy a threesome, so I said I would ask you."

I was getting really turned on by this time, and couldn't wait to hear more. "What's her name? What does she look like?" I asked.

"Her name is Jo and she is blonde," Sue replied. That did it. "I'm game," I said. So

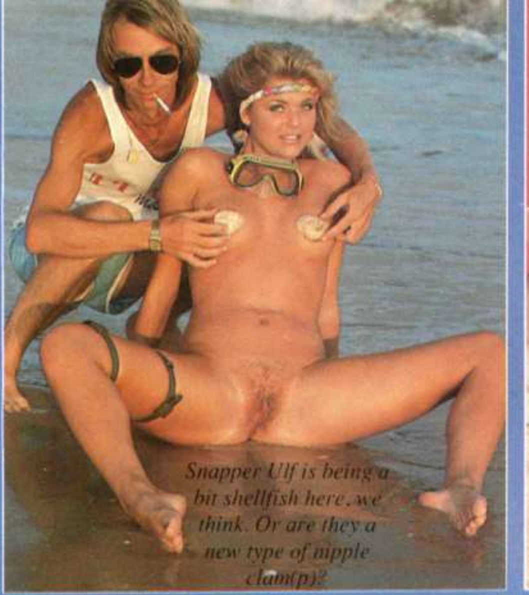
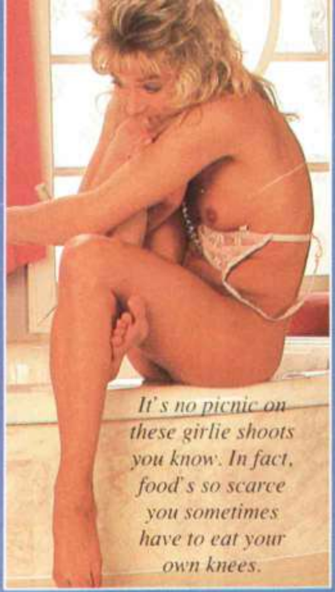
# OOPS!

GIRLS WITH BIG TITS AND PERT BUMS ARE MORE FUN. IT'S OFFICIAL! But large and lovely wobblers are not the only boobs that Club has to deal with . . .

*Rome wasn't built in a day, and neither were Stacey Owen's ginormous cajooblies. Can this ancient monument take the strain?*



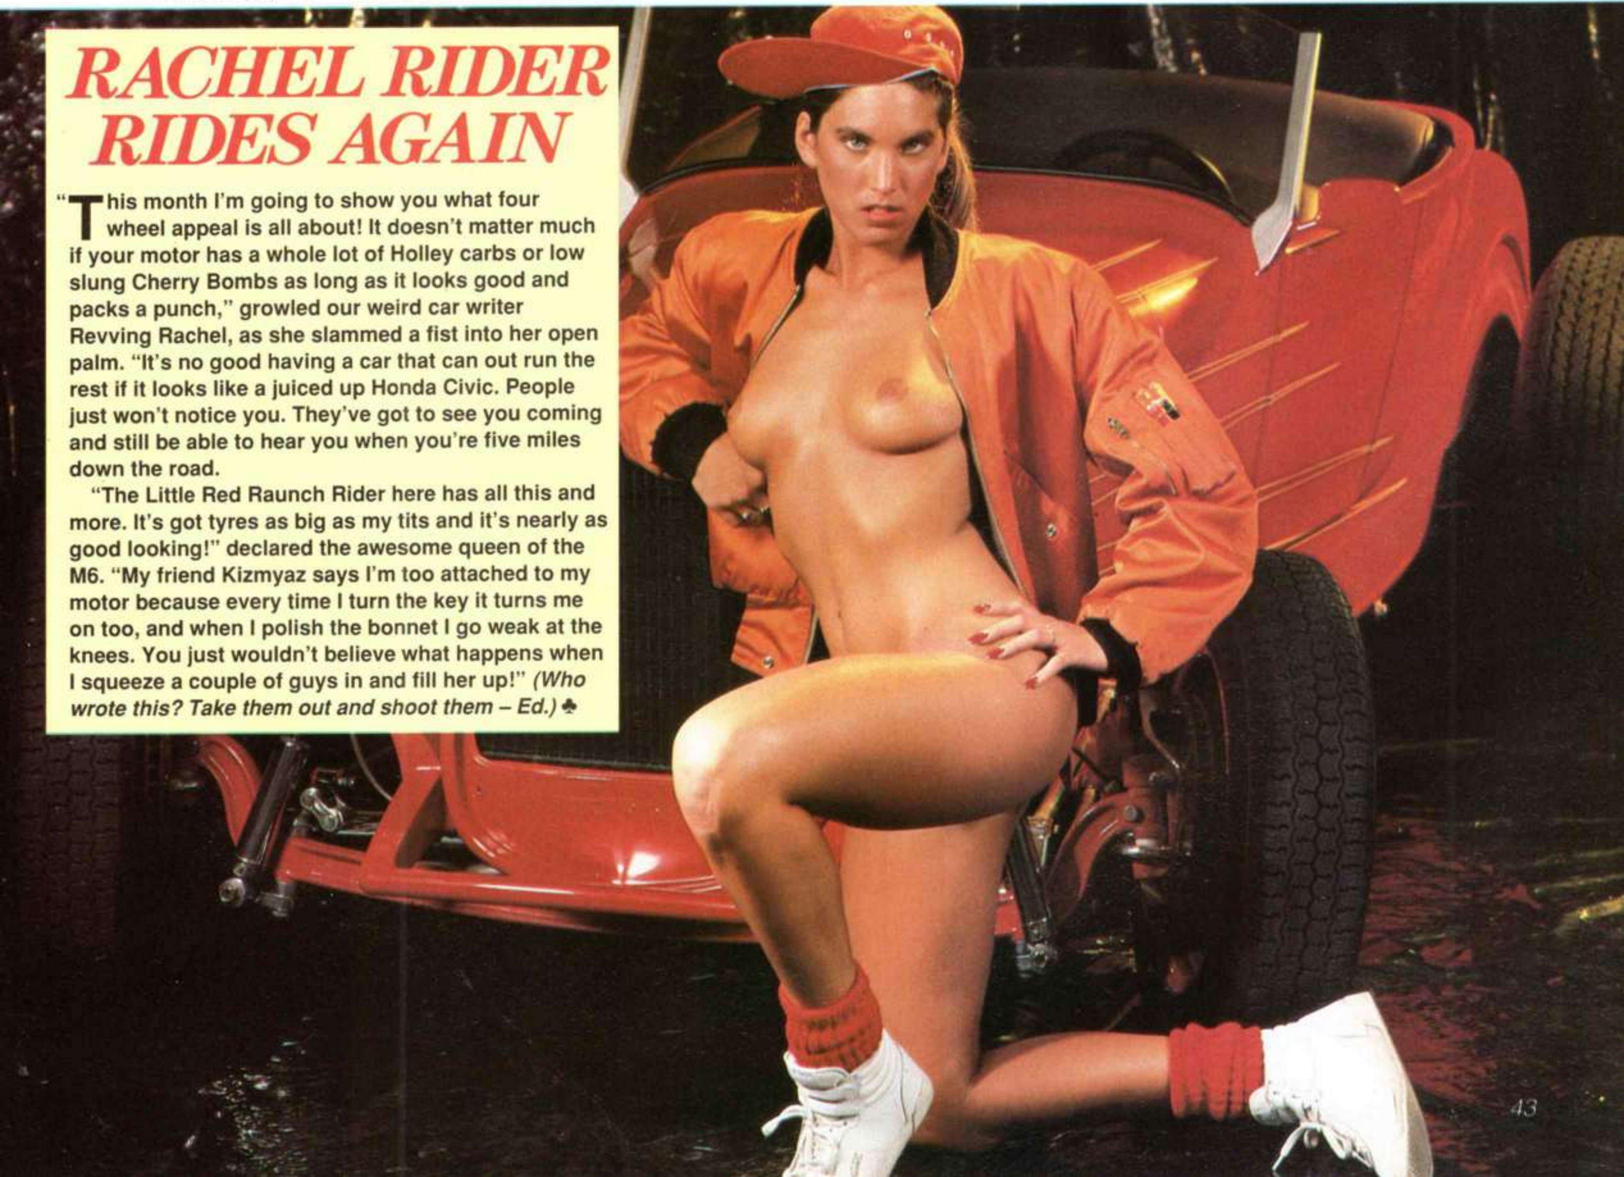
*Snapper Ulf is being a bit shellfish here, we think. Or are they a new type of nipple clam(p)?*



*It's no picnic on these girlie shoots you know. In fact, food's so scarce you sometimes have to eat your own knees.*

*Hubble, bubble, toil and trouble – these shaving sets are OK, but a girl needs some lip to do it in pubic.*

# RACHEL RIDER RIDES AGAIN



**"This month I'm going to show you what four wheel appeal is all about! It doesn't matter much if your motor has a whole lot of Holley carbs or low slung Cherry Bombs as long as it looks good and packs a punch," growled our weird car writer Revving Rachel, as she slammed a fist into her open palm. "It's no good having a car that can out run the rest if it looks like a juiced up Honda Civic. People just won't notice you. They've got to see you coming and still be able to hear you when you're five miles down the road.**

**"The Little Red Raunch Rider here has all this and more. It's got tyres as big as my tits and it's nearly as good looking!" declared the awesome queen of the M6. "My friend Kizmyaz says I'm too attached to my motor because every time I turn the key it turns me on too, and when I polish the bonnet I go weak at the knees. You just wouldn't believe what happens when I squeeze a couple of guys in and fill her up!" *(Who wrote this? Take them out and shoot them – Ed.)* ♣**

# The Bastard's Guide To WOMEN

*There are women who'll come across, and there are women who won't, according to our roving correspondent* ***Reggie Snatchgobbler****. And this lot are the ones who won't . . . or are they?*

## Feminists

Ever since Germaine Greer told women they had a right to have orgasms, feminists have been making unreasonable demands. Expecting us to treat them as equals – even let them into pubs. Outrageous! Some feminists are young, intelligent and attractive, though they do their best to hide this by wearing boiler suits, old anoraks and baggy jeans. This they see as dressing the same as men. It's actually dressing the same as a 22-year-old train spotter from Redditch.

Most, though, are embittered old hags who hate men for the way they sexually harass girls more attractive than themselves when secretly they wouldn't mind a quick knee-trembler. The really resentful social misfits hang around council estates forcing themselves on innocent people, insisting on telling them their troubles when they've got quite enough of their own to contend with. This is called social work.

Chatting up a feminist is impossible unless you don't mind being blamed for everything from all the world's sexual diseases to falling house prices in the south-east. Sex with one is about as likely as a cool, pleasant blow-job from a dragon.

**Names:** Bob, Sam, Tom (names can be really sexist, right?).
**Appearance:** Clothes from the Millets designer label and terrorist outfitters like Army Surplus shops.
**Perfume:** Beauty without Cruelty, Ozone-Friendly, No Artificial Colouring or Dangerous Chemical fragrance in Biodegradable Cartons without CFCs. i.e. None.
**Where they hang out:** Left wing council meetings, nuclear missile sites, demonstrations.
**Shaggability factor: 7**, but only if you're Ben Elton or a whale, otherwise forget it.

## Librarians

With their woolly cardigans, sensible shoes and well thumbed edges, librarians are outwardly even less sexy than feminists. Although these ladies are well-read, even highly literate chat-up lines like, "Do you mind if I slip off your jacket and admire the contents?" will be greeted with a loud, "Sssshhh!", or "Fuck off" if you happen to be in Lewisham.

More unsubtle gambits like asking the girl in the encyclopaedia section if you can look up her entry will be rewarded with the date stamped on your bollocks (or worse still, your knob decorated with the words NOT TO BE TAKEN OUT).

Like the books they dole out, most relationships with librarians never last longer than two weeks, followed by far-from-gentle reminders about other people wanting a chance as well. Yes, they do occasionally have sex, but very quietly and for reference only.

**Names:** Miss Jones, Miss Smith, Miss Brown.
**Appearance:** Strictly Marks and Spencer.
**Perfume:** Just Must (the distilled odour of old damp paperbacks).
**Where they hang out:** Libraries and, for devil-may-care nights out, evening classes.
**Shaggability Factor: 0**, unless you're J.R. Hartley.

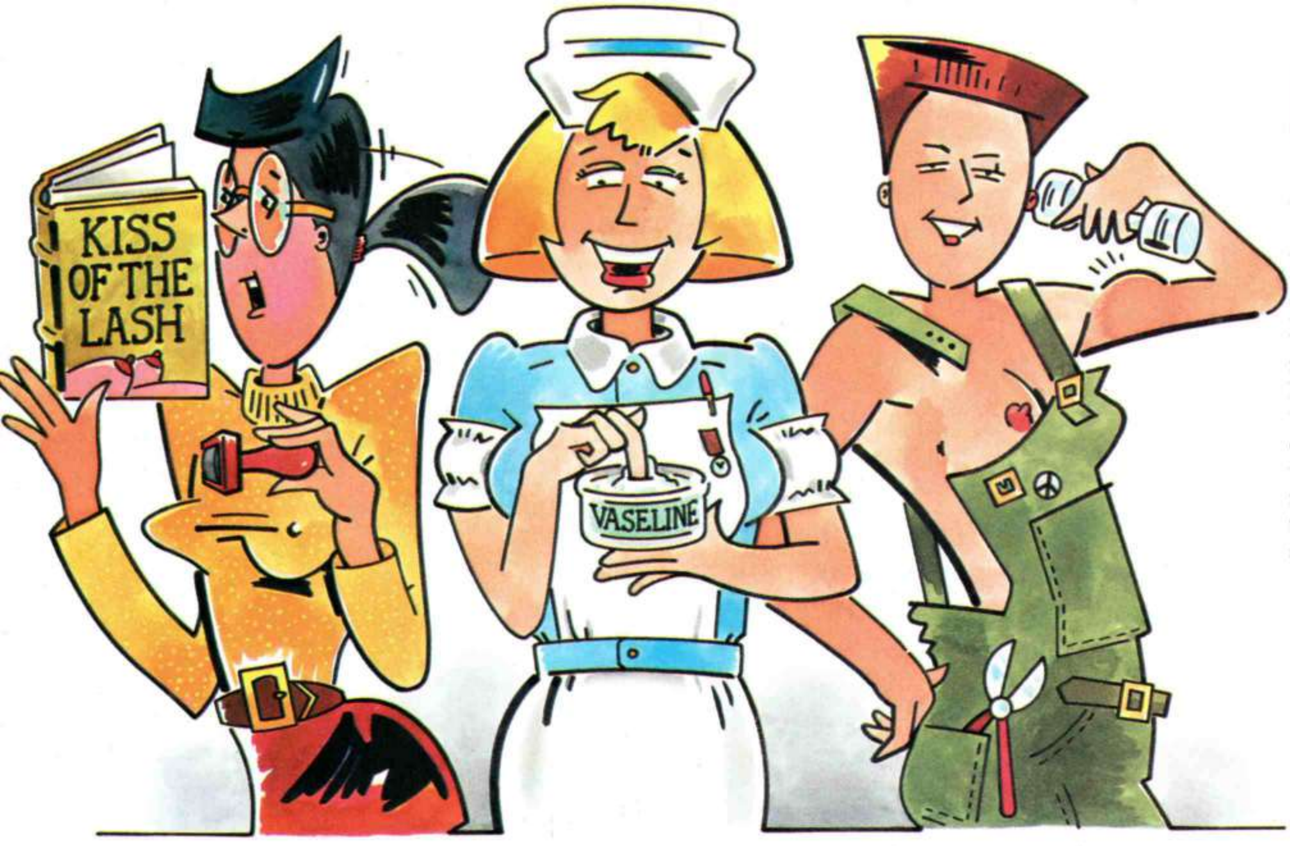
## Nurses

In their crisp little uniforms complete with black stockings and suspenders, nurses look superb. What's more, they are brilliant at blow-jobs, excellent at hand-jobs and *adore* sex. And so will you, if you can get inside their crisp regulation knickers. Unfortunately, they work 24 hours a day, seven days a week for around £2.95 so they can't buy any rounds.

**Names:** Nurse Golightly, Nurse V Screens (well, they are in *Carry On* films).
**Appearance:** Uniforms, stockings, suspenders.
**Perfume:** Carbolic.
**Where they hang out:** Hospitals.
**Shaggability Factor: 10**, if you happen to meet one on her three hour annual leave.

## Sloanes

Fortunately for Northerners these only occur in London, which is a pretty good reason for maintaining the North/South divide. Sloanes all have annual incomes in six figures but couldn't add up more than two. They don't know the meaning of the word poverty, or quite a few other simple seven letter words. But the thing that really pisses me off is that they're quite often real stunners.



CONDITIONER
BEANS

Beautifully dressed in expensive gowns that show off their pert little figures, they have nothing to do all day but brush their hair, make themselves up and choose eligible boyfriends. Then what do they do? Go out with some dickhead with no chin whose idea of original wit is pouring champagne down some underpaid waiter's trousers. The only good news is that if their boyfriend breaks a leg ski-ing, generally they're shot.

**Names:** Annabel, Bo-bo, Snorters, Lady Antonia Farquar Fitzsimmons.
**Appearance:** Oh, just a little something by Emmanuel, costing £5,000.
**Perfume:** A discreet dab of Chanel's most expensive scent.
**Where they hang out:** The wine bars and restaurants of Chelsea and Battersea (pronounced Batter-sia).
**Shaggability Factor: 0**, unless there's an eccentric millionaire Club reader out there.

## Slags

From the way they dress, you'd think you were on to a sure thing here. Low cut tops, tight skirts, high heels and enough satin and lace to redecorate all Buckingham Palace's bedrooms. It sounds like a chance to be convicted for grievous bodily happiness, but it's a tease and usually they have ex-boxer boyfriends with so many tattoos their arms look like toilet walls.

They are also prone to be fat. In fishnet tights from behind they resemble a highly successful trawl for cod. The best you're likely to get is a Christmas kiss when Big Knuckles isn't looking. Then you'll be smothered in so much bright red lipstick, somebody'll probably stick a snooker cue up your nose and try and pot your head into the corner pocket before going for the black.

**Names:** Brenda, Daphne, Big Ada.
**Appearance:** Short skirts, plunge fronts or big white satin blouses that make them look like a competitor in the Tall Ships Race.
**Perfume:** Gin.
**Where they hang out:** Behind the bar, in front of the bar, under the bar after too much gin.
**Shaggability Factor:** 2, or if Bruno's back inside, 9.

## Traceys

Almost always blonde with a shaggy perm, all Traceys work in hairdressers and have friends called Sharon and Dawn. Dressed entirely in C&A polyester and other unnatural fibres, their brains have been blow-dried and replaced with styling gel. Okay, so not everyone wants to shag an intellectual but what makes them impossible to chat up is that they have only three sentences in their vocabulary. These are: 1) Do you like pop music? 2) Are you going away on holiday this year? and 3) Do you have conditioner on your curly perm?

Usually they go out in gangs of four or five to dance around their handbags and drink Malibu and syrup in clubs called things like *Cinatra's*, *Samantha's* and *Bogey's*. Attempt to get off with one there and they are usually too pissed to remember their three sentences so they just giggle instead.

**Names:** Tracey, Shaz, Dawn.
**Appearance:** Trendy clothes made in Taiwan and a vacuous grin.
**Perfume:** Whatever's just been on telly.
**Places they hang out:** Hairdressers called things like *Follicles* or *Hairport 89*, and clubs serving cheap Malibu.
**Shaggability Factor:** 3 (if pissed), otherwise 0.

## Check-out Girls

A stage down from Traceys. Not even allowed sparkling repartee about pop music, holidays and hair conditioner, these battery chickens of the retail world aren't so much gormless as 100 per cent gorm-free. Run their bar code reader over their brains and it would register as 'Synthetic Bath Sponge (grey) 99p'. Any attempt at conversation will result in them ringing a bell and putting their hands in the air. The only sound they've ever been known to utter is, "Ee-oh-eckow-or-ee". After ten years of research anthropologists have finally translated this as, "Till roll check-out four, please", thus proving to be a total waste of ten years.

**Names:** Never established.
**Appearance:** Tied back greasy hair, nylon overall and acne.
**Perfume:** The aroma of stale milk from leaky cartons.
**Places they hang out:** *Tescos*, *Sainsburys*, *Safeways* and other supermarkets.
**Shaggability Factor:** Less than 0.

## Page Three Girls

Beautiful young ladies with big tits, great dress and undress sense, and shitloads of money. The only snag is there are only about ten of them between the lot of us.

**Names:** Maria, Samantha, Linda, Tracey.
**Appearance:** Anything where their tits hang out.
**Perfume:** Whatever somebody's paid them to wear.
**Where they hang out:** In newspapers and London clubs trying to hide from Chris Quinten.

**Shaggability factor:** 23!!

There, that's better. Now none of us will waste valuable drinking time trying to chat up some tart who wouldn't go to bed with us if we were a 12 inch long, prick-shaped, hot water bottle. It needed to be said and I –

Hang on, it's the bastard phone.

Sorry about that, it's my new girlfriend Tracey. Yes, her name *is* Tracey, what of it? Yes, she does think women have rights, and I happen to agree with her to some extent. Yes, yes, she's working. You'll laugh, but it's behind a check-out counter. I know, I said – but before that she worked in a pub. Low-cut dresses? Occasionally, why? Oh, yes, but she's different. I mean, she's the exception that proves the rule. It's all the others, isn't it? Oh sod it, go and chat them *all* up.♣

Photographs by Harry Linden

Just when you thought it was safe to go back in the water Nancy – our much requested cover girl from Christmas '88 – appeared from the deep end to grab you by the balls!

"I once had a

terrific fuck in a swimming pool,'' remembers Nancy, trying to stuff her tits back into her skimpy swim suit . ''I went to a friend's house for a pool-side party and the host insisted on taking me for a personal swimming lesson in front of everyone. Anyway by the time he'd got my tits out and stuck a couple of fingers up my pussy the others wanted a piece of the action too and I ended up sucking three guys' cocks underwater. believe me, it's hard to get your breath back when you're as excited as I was!'' ♣

## Women's Writes

*Where the girls get down to business*

### PUMP IT UP

I've never written a letter of this nature before, but I am writing to you basically to say thank you. After reading this, you will understand why.

I am 30 years old, married, work as an aerobics teacher, and am considered to be very attractive by most men (and some women). My husband recently brought home Club, a magazine I had never seen or heard of previously. Yesterday, while my husband was away on a weekend trip, I began to look through it. When I looked at the pictures I became very aroused sexually, much to my surprise. I've never experienced a sexual relationship with another woman but I have experienced several instances where other women have been sexually attracted to me.

As I turned through the pages and looked at the girls, my nipples became very hard and taut. I have small but firm titties. As I turned each page, I became more and more aroused and my cunt became wet. I was very aroused in a different way than I had been previously. When I turned to the pictures of the girls in *Talking Blue* I couldn't hold back. I was extremely turned on; my cunt began to tingle and I felt it squirt, followed by the contractions of a very good orgasm.

I had never even touched myself. Just looking at the erotic pictures of two beautiful women enjoying each other did it. I did not think it was possible for me to have an orgasm like this. At this point, I knew I had to experience lesbian love. You will soon understand why I am writing (which is much easier than I thought it would be).

I immediately went to the telephone, before I lost my nerve, and called one of my aerobics students. Connie is a young and pretty blonde who has a nice tight body and a beautiful face. I was pretty sure Connie was turned on by me as I have frequently noticed her looking directly at my cunt when I'm wearing aerobics tights. As luck would have it, Connie was at home; I explained to her that my husband was out of town and made the excuse of feeling lonely and bored. I asked if she would like to join me in a glass of wine and some conversation. She willingly accepted my offer, much to my delight, asked directions to my home and said she would be over within the hour.

Soon an hour passed and Connie arrived. She was wearing a knitted shirt with no bra and tight fitting cotton shorts, displaying her figure provocatively. We sat and drank a glass of white wine and Connie finally commented on the copy of Club that I had placed as "bait" on the coffee table. Soon she opened it to a page I had marked earlier. Connie gasped for breath as she gazed at the *Talking Blue* pictures, almost dropping her glass of wine. She looked intently and began to close her thighs tightly together and slightly rotate her hips. I could tell she was very aroused. Suddenly she regained her composure and looked at me, catching me watching her cunt. I said something to the effect that it was very erotic, and then Connie said to me that she was a lesbian.

At this point I didn't know exactly what to do so I said the pictures turned me on too. Apparently that was what Connie wanted to hear as she looked directly at me and without saying a word, got up and moved over to the sofa where I was sitting and sat down very close beside me. I was nervous and breathing heavily, obviously aroused. Connie slowly leaned toward me and tenderly kissed my lips, parting them with her tongue and licking between them as though they were my vaginal lips. Her tongue soon found mine and I began to respond to her. She placed her hand on my titty and began to squeeze and massage it while kissing me, then unbuttoned my blouse and moved her hand inside to the bare flesh. She found my nipple and played with it with her finger until it was rock hard.

I then managed to talk and asked her to please suck my nipples. Connie smiled and moved her mouth to my boobs. I was in heaven, completely oblivious to anything else but the wonderful feeling I was experiencing. Connie slowly moved down my body, licking and kissing her way to my waistline. My skin was crawling with goose bumps and my cunt was extremely wet with anticipation. I was more sexually excited than I have ever been with any man. Connie then unfastened and unzipped my jeans and I lifted my hips so she could slide them off, which she did as she moved from the sofa to the floor. With my jeans removed, Connie then pulled off my very soaked panties. Upon seeing me totally nude, she smiled, spread my legs and said, "Lisa, you are a truly beautiful woman and I have wanted you for a long time. I am going to suck and lick your little pussy the way a woman should be eaten." I almost came on the spot and was flowing juices like crazy.

Connie leaned forward slowly and deliberately and placed the very tip of her tongue lightly against the sensitive inner part of my thigh, slowly moving only the tip up across my cunt lips and deep into my wet pussy. I was breathless with excitement and my chest was heaving while I tried to breathe. Suddenly Connie began to tongue me, lick me and suck me. I looked down at her face between my legs, felt her tongue in my fiery hot cunt and exploded in the most wonderful orgasm I've ever known as she looked up at me lustfully. When I had regained composure, Connie said that she was glad she made me feel so good. I told her she made me feel wonderful, not just good.

Connie then stood up, quickly removed her clothes and lay down beside me with one leg placed over the top of the sofa and the other on the floor. With her legs spread widely, I looked directly at her beautifully shaven and swollen cunt. I hesitated for a moment until she brought me to reality by saying, "It's your turn now. I want your face between my legs and your tongue on my clit." I then leaned forward and tasted another woman's pussy for the first time in my life.

I loved the taste of Connie. As I licked and sucked her cunt and clit I began to enjoy the fact that I was giving her pleasure. I grabbed both her tight shapely bum cheeks, pushed my mouth and tongue deep into her cunt and licked for all I was worth. Connie shuddered violently as she climaxed hard and long.

Afterwards, we lay in each other's arms, kissing and caressing each other. We made love to each other several more times yesterday afternoon and on into the evening. I experienced feelings and sensations I had never known before. I particularly liked Connie and I eating each other out in a 69 position. I must have climaxed at least 20 times, more than I have in my life at one time, and more than I thought humanly possible.

I am now very wet and aroused as I write this and plan on calling Connie as soon as I finish this letter. So now you see why I have written to say thank you. You have given me something wonderful that I've never known before. – *Lisa, Windsor*

## COME ON DOWN!

Oral sex, that great taboo myth: no one seems to talk about it, or if they do, it's nervously to cover different levels of embarrassment. I say this to you because in your magazine, people actually seem to go down on one another as if it might be quite a normal thing to do if you intend to give someone else some sexual pleasure.

I'm now 23 years old, but my story starts when I went to an all-girls' school. In the sixth form, from what I could make out, spunk was the vilest substance on earth. All the girls, (including myself, I'm ashamed to admit) blindly boasted that no-one was ever going to put them in the position of swallowing any. Maybe if we'd tried it before making up our minds things would have been different, but at that age, I was easily influenced. Sure, I sucked a guy to get him hard, but I never brought him off that way.

I had had a few loose relationships with guys I thought were right for me, but they all bored me and I finished with them. Then I met Richard in the office where I work and I was intrigued by him. We dated for about a month before, during one heated fucking session, he asked me to go down on him and suck him all the way. I refused point blank, but I did suck him till he was close to the edge and then finished him off between my tits. This suited Richard fine, and that's how things stayed until a couple of months ago.

One Saturday I woke up feeling very horny, but Richard had to sort out some bills, so I was left on my own. I sat and frigged my little pussy till she was all juicy and squelchy, and then I pulled out my black mamba vibrator, and switched it on so I could hear the powerful buzzing noise and feel the throbbing of this wicked-looking machine. I tickled my puffy pussy-lips with it until I just *ached* to have the thing inside me. Slowly, I guided that monster up me, inch by inch, until even my fingertips were inside the juicy hole. I writhed and moaned on the bed, feeling an imminent orgasm welling up. Taking a deep breath, I started to come, screaming at the top of my voice as the waves of pleasure engulfed me. Was I satisfied after this? Was I heck! If anything, I felt even hornier.

I had to try to force myself out of bed to do the week's shopping. But I began to wank myself off again, although it dawned on me that I'd be spending the whole morning that way until Richard got back. I eventually bribed myself with incentives for getting outside – some new batteries for my vibrator, and a naughty magazine. I'd always fancied one, but never actually summoned up the courage to purchase it.

Sure enough, I returned with two Duracell batteries and a copy of Club. I ran upstairs, tore my clothes off and started to read. Suddenly, in your letters section, I ran across an oral sex episode which ended with the sentence: "I guzzled his beautiful, frothy spunk, and it tasted divine". I wondered firstly if the woman was in her senses, but the more I read, the more I began to realise that it seemed quite common for girls to suck their men off to a conclusion, and furthermore that they all appeared to relish the taste of spunk. Of course, it occurred to me that this might be a male conspiracy but, all the same, my curiosity got the better of me. Maybe I'd have a *little* taste myself.

Richard arrived back to see me playing furiously with my pussy and vibrator, and he drank the scene in with lustful eyes. I was getting more and more heady with a combination of what I was doing and the fact that he was watching me. I shuddered and screamed again. As I recovered from that amazing orgasm, Richard approached the bed. This is it, I thought. This is where I find out one way or another.

I knelt in front of him, unzipped his flies and eased his jeans down. I looked up once into his grinning face,

smiled back at him, then slipped down his underpants. His big, long, thick tool sprang out. I grabbed his meat in one hand and slowly licked his foreskin all around. His cock actually smelt gorgeous. I can't describe how horny the smell of my man made me feel, but the effect it had was to make me forget him as such and concentrate solely on his cock. His cock was all I wanted.

Very gently, I pulled back the foreskin and that big, angry purple helmet looked me square in the face, hovering only an inch from my ruby-red lips. In a lazy arc, I licked the underside of his cock with my pointy tongue, curling it around the throbbing head. Then something strange happened. My lips actually tingled as they opened to embrace this monster, and inside my mouth began salivating like mad.

Richard was groaning with pleasure, but I wasn't thinking about him at all. It was time to take it inside my mouth, so I pursed my lips like a closed vagina and pushed down. It was bliss. Both of my orifices were so wet now, I felt I could easily drown. Sure, I'd sucked a cock before, but it had always been a prelude, never a performance!

For at least half an hour I licked, sucked and slurped on Richard's cock. He was desperate to fuck me, not knowing that I'd changed my mind about him coming. I'd already come myself a couple of times, just tiny tingly orgasms, nothing massive. "You'll have to let me go," he groaned, despairingly. "I can't hold it in much longer." Suddenly, I popped. My tongue was swollen and dripping with juices, my nipples were hard and threatening to burst, and I put my arms behind Richard's bum so I could cram every last inch of his cock inside my mouth.

"Finish me off with your hands," he yelled. I just shook my head slightly. I'm not sure he knew what was going on, but there was no stopping me. He must have surrendered because after a few more deep, wet thrusts from me, I felt the change in his cock. It began to pump. It was actually jerking of its own accord as the spunk squirted full force into my eager mouth. I don't think I've ever had something I could compare the sensation with, the hot splashing on to the roof of my mouth. After the throbbing ejaculation had all but completed its series of spasms, he gently freed himself and collapsed on the bed.

I hadn't swallowed a drop yet. Some had trickled out of the side of my mouth, but most of it was in there. I felt a little like one of those TV wine tasters who make these weird faces as they decide. I savoured the hot male taste, swilling it around. I opened my mouth and looked into the mirror. It was so erotic, knowing what I had in my mouth. I pouted, allowing a drop to dribble out of the corner, then I drank the lot. I drank his spunk.

I have gone the other way now. Inevitably, after that mind-blowing occasion, I can't get enough of my man's spunk. He gets up to all sorts now that the manoeuvre is kosher between us. He wanks over my face and spunks all over it. He wanks on to my ample tits and then I sit and savour the taste.

These days I suck Richard off before he goes to work and then, when I'm certain his balls are *drained* of come, we fuck ourselves silly. I'm content to do that, because I know none of that spunk is going to be wasted. I tried drinking it when he had come inside me once, but I found cunt juice ruined its subtle taste. – *Deborah, Weymouth*

# Holiday Blues

*Three Go Down By The Sea*

My two friends and I have known each other for years, since we all went to the same school when we were teenagers. We know each other – and each other's bodies – very well indeed. In our late teens it just seemed a natural progression in our sexual experimentation that we should start making love to each other and frigging each other off. At first we were careful to keep this secret only to ourselves but gradually a few people found out what we got up to in our locked rooms at parties and sometimes they wanted to join in.

That suited us if we fancied them and felt that we could trust them to keep our secret, but in the small market town where we come from there would have been a real scandal if the secret had got out. I don't think my mother could ever have faced the supermarket again, knowing that all her neighbours knew her daughter was bi. So we three would organise weekends and holidays away from home a few times a year.

When we had all left school and started working, we got a flat together on the edge of the town and soon it became known as a place where there was always a party going on, which usually became something of an orgy! But when the police started sniffing round on a regular basis we decided that perhaps it was time to move on. So the three of us got our passports together and decamped to the Costa del Sol.

We started working in bars and cafés there, and rented a tiny, but cheap, apartment quite near to the beach in the resort we had chosen. Life was cheap and easy out there, but the best part of it was that the sex was easy too!

The incident I'm going to write about happened after we'd been out there for four months. I'd lost count of the number of guys and women that I'd screwed since we'd been there, and Lorna and Steph had been even more rampant. It just made us all the more hot for each other

too, and fingers, tongues and dildos were in cunts at our apartment at all hours of the day and night.

One night we went to a disco at the resort's most expensive nightclub. Between us we'd fucked all the bouncers and the manager so there was no problem about getting in for nothing. Under the flashing lights on the dancefloor we gyrated our bodies sexily, flashing our legs and boobs at anyone who happened to be looking. You could smell the money in there, as well as the sex. I hadn't seen anyone who interested me after a few minutes, so I went off to the bar to get a drink, leaving Lorna and Steph getting chatted up by a couple of young Germans.

I made sure I lounged against the bar with my firm little boobs thrust out, the nipples erect with the excitement of being out on the pull. My cropped top barely covered them, and my mini-skirt showed my smooth brown legs and gave a hint that my pussy was only just covered. Of course, it was obvious that I wasn't wearing any knickers. My cunt was getting wet at the thought of who I might meet tonight.

I turned my back to the bar and was immediately jolted upright when I met the eyes of a woman who'd been staring at my reflection in the mirror behind the bar. She was gorgeous. Standing about six feet in her stilettos, she had lovely big round boobs, with dark brown nipples that I could clearly see through her white dress, and her legs just seemed to go right up to her neck. And her eyes were undressing me.

I didn't hesitate, I just went straight over to her and smiled. "I could see you wanted to talk to me," I said.

The way she smiled back as she introduced herself told me that talking was the last thing on her mind. She said that her name was Sabine and that she was on holiday with her boyfriend Gunter. "But he's away dancing right now," she added.

I wanted her so much that I thought my cunt juices must be running down my legs already. "Why don't we go somewhere a bit more private?" I suggested boldly. All I could think of was getting her hot pointy tongue into my pussy.

I led the way to the guests' rest room at the top of the club. The dance floor was absolutely teeming so I knew that there would be no-one in there. Sabine followed me over to one of the huge leather sofas which occupied the four walls of the rest room. But instead of sitting down next to me, she knelt down in front of me and parted my legs, gazing at my exposed pussy. I always trim my pubes down neatly and she ran her fingers through them before circling my erect little clitty with first her finger, then her tongue.

I lay back on the sofa, watching as she went down on my pussy expertly. She might have a boyfriend, but here was definitely a woman who preferred eating pussy to anything else. I began to wonder if Gunter knew anything about it.

Suddenly her tongue darted right up into my cunt, making erotic little circles inside my pussy walls and making me twitch uncontrollably. The juices from my cunt were dripping out on to the leather sofa as Sabine manipulated my clit with her fingers, licking me out all the while. I

knew I was about to come and started to rub my nipples lightly with the palms of my hands through my top. But it wasn't enough and I groaned as I put them up under my top and felt how hot my skin was.

"I'm coming, I'm coming!" I whispered, as I felt my cunt contracting, and Sabine licking faster to bring me off. The come-juice dripped from me as I had my climax.

After that I wanted to get down on Sabine as soon as possible, but people had started to come up to the rest room from the dance floor so she suggested that we went back to her hotel. "As long as I can bring my friends," I told Sabine. Lorna and Steph would be creaming themselves at the thought of making it with this gorgeous German.

Back at her hotel Sabine could hardly wait until we were through the door before she stripped off, showing her magnificent body to us all. Her legs were long and slim (I was really envious) and her cunt was completely shaved, which fascinated me as I'd never eaten a completely bare pussy before.

"I want you to all undress each other," she told us, lying back on the bed and beginning to play with her pussy, spreading the wetness all round it. I turned to Lorna first and rolled her tight clingy dress down off her shoulders and off, taking her little white g-string with it. Her dark brown pussy was glistening and Sabine fingered herself faster than ever as she saw how wet Lorna was.

I left Lorna fingering herself too as I turned to take Steph's clothes off. Steph has always been the person who turns me on more than anyone else, with her big squashy boobs and firm, well-covered hips and thighs. It's the way that she writhes when she comes that has always sent me wild. That, and the way that she loves to talk dirty when we're in bed together. I pulled off her t-shirt and shorts and she undressed me, running her hands over my smooth, tanned skin, making it tingle with arousal.

Sabine had now been joined on the bed by Lorna, who was between Sabine's spread thighs, nuzzling her face over the German girl's extremely wet cunt. Sabine was talking to herself in rapid German: I couldn't understand what she was saying but it sounded dirty. I watched as Lorna started to finger Sabine, who'd already come a couple of times by herself. She was thrashing about on the bed, arching her back right off it, and lifting her hips right up to meet Lorna's probing tongue. Lorna's hand was at her own cunt as she lapped at Sabine's pussy faster and faster.

I wanted to taste some cunt myself and went down on Steph. She was more than ready to be licked out and I quickly brought her off. But I still wasn't satisfied myself and suddenly the thought came to me of what I wanted.

I got on to the bed and lay next to Sabine, caressing her body, which smelled of her female juices and some expensive perfume. Lorna was still occupied with her cunt, so I started kissing her long and hard, nibbling at her lips and fondling her stiff nipples. Steph was working at my pussy with a dildo that she'd found in a drawer, stretching my cunt lips wide apart and making me gasp as the stiff plastic cock penetrated me fully, sliding in and out, lubricated by my thick juices. The whole of the big double bed was a tangle of legs and wet, swollen, pink cunts, and the only sounds were our tongues licking each other's skin, and the whimpers of ecstasy when someone came.

I don't know at what point Gunter had come in, because we were all so absorbed in what we were doing, but I certainly noticed when he joined us on the bed, totally naked, and his stiff prick rubbed against the back of my thigh.

"Mind if I join you?" he asked, smoothing his hands over my arse, down the crack to my soaked cunt. Steph had moved out of the way and was kissing all over his back and fondling his hairy balls as they dangled below his hard-on. Lorna carried on working on Sabine's boobs as I crouched over her cunt, licking her lips and working my fingers in and out of her love hole. Sabine couldn't speak, she was so turned on, and just lay there watching me lick her out.

"Fuck me, Gunter," I told him. "Stick that big prick of yours right up me. And don't stop till I tell you."

I felt myself being lifted so that my bum was right in the

air and then Gunter pulled my cheeks apart so that he could look right into my horny hole. I moaned as he held his prick by its base and pushed it into me, slowly letting me take the whole length. I could feel it crawling up my pussy and then suddenly he started shagging me really hard, pulling back sharply and then pushing it back in again so that he was in right up to his balls. His fuck strokes got faster as I rammed my cunt on to his cock, and he made me come so hard I collapsed on to the bed, his throbbing tool still pumping away inside me.

"Don't be selfish, Anna," Steph begged as Gunter carried on shafting me. "He's about to go off any second. Let us all have some of his come."

Quickly Gunter pulled out and Steph slipped underneath him, so that she could lick his balls and the underside of his cock. The rest of us lay on the bed watching and frigging ourselves. Steph started squeezing his cock then, rubbing the swollen end so that Gunter groaned deep in his throat.

Then suddenly a long thin stream of white come shot out of the eye of his knob, right on to Lorna's stomach

as she lay there on the bed. She started rubbing it into her skin as Gunter then aimed his cock at Sabine as he carried on shooting off, presenting her tits with several gobs of spunk. I was determined to taste some of it though, and as he aimed at me I positioned my mouth right in the path of the spray, so that he covered my nose and lips with his come. I swallowed it down before taking his prick into my mouth and sucking out any last drops of spunk.

That was quite a night, and we had many more during the course of Gunter's and Sabine's holiday. Of course, they paid for us to go everywhere during that time, and after they left it wasn't long before we found some more randy bedmates. I've never enjoyed so much fucking as the time I spent in Spain, and it made the three of us insatiable! We often scandalised the other residents at our apartment block by fondling and fucking each other by the communal pool or in the gardens. Once we've got some more money together the three of us will be heading straight back to Spain. – *Anna, Maidstone*

# Couples Confess

*Share and share alike! That's the idea of good group sex. And here in Couples Confess is where you share your dirtiest real life experiences with us.*

My best friend and I are regular readers of your magazine, when we can get hold of it: we always thought it was a bit of a giggle and enjoyed reading all about what people get up to between the sheets. I used to think that all the stories of orgies must be made up or exaggerated, but after what happened to us recently I can well believe them.

I'll have to explain our situation a little. We live in a large town in Southern Ireland; I shan't be any more specific than that about the location because I don't want too many people to find out what my friend and I did. Our reputations are bad enough already! In our town there is a gang of lads who really reckon themselves, because they know that all the girls in the town have got the hots for them. It's understandable, because they're all very handsome and have that Irish way with them. There are seven of them, and they call themselves The Magnificent Seven. So does everyone else.

Anyway, Lorraine and I had been trying to get one of them – any one – into bed for months. But they were all so cool that they seemed not to be interested in making any moves on either of us, although they were quite happy for loads of other girls to be throwing themselves at them left, right and centre. We plotted for ages as to how we could achieve our objective, and finally we decided that we'd have to do something a bit spectacular to get ourselves noticed.

We knew that they all hung around a club in the town centre at weekends, so that was where we were going to put our plan into action. That weekend one of them, Derry, was having a party at his place, and we reckoned that we might have our chance to seduce one or more of them if we managed to get ourselves invited. So we dressed up to get ourselves noticed at the club.

Lorraine has a better figure than me, and I looked at her enviously as she pulled on her sheer black stockings with her lacy suspender belt, and put on a black lace basque with her *very* short mini-skirt.

"What blouse are you going to wear?" I asked her as I eyed up the way the basque made her firm 34c boobs jut out and emphasized the smallness of her waist.

"I'm not!" she replied, rubbing her nipples that were almost exposed by the basque. "If we're going to pull those lads then I want to show everything I've got!" The sight of her showing off her body so provocatively got my pussy tingling; Lorraine and I had masturbated each other a couple of times since we'd been friends, and she could tell what I wanted as we stood there and I looked at her. But she told me to keep my hands to myself until later, when we would put our plan into action.

She helped me to get dressed into a black lacy dress that clung tightly to my hips and bum. I wasn't wearing anything except tiny panties underneath, so I hoped that we wouldn't bump into anyone I knew as we made our way down to the club.

Once in there we spotted the lads and made sure we got ourselves noticed by dancing sexily in front of them, thrusting out our boobs and making sure they could see how little we were wearing and how much we were offering. Sure enough, Derry and his friend Niall soon came over and invited us back to the party and Lorraine and I knew that we were in with a chance.

We were let into the party by two of the others, Richie and Adrian, and soon got stuck into the drink and the dancing. There were a lot of other girls there, some dressed almost as revealingly

as we were, but to our delight the lads seemed to be keeping a close eye on us. Richie and Adrian were standing to one side with their mates, Sean and Laurie, and Lorraine and I danced towards them, licking our lips suggestively and making sure that they got the message that we were after them that evening. Soon the whole crowd of them, completed by their mate Denis, were gathered around us as we danced.

Lorraine smiled at me, but I didn't know what she was up to until she danced towards me and started rubbing herself up against me. Just then a slow record came on and we swayed closer together, our boobs touching. We could see the lads all gathered around us as we got more and more daring, rubbing our nipples together and grinding our pussy mounds. Then quite suddenly, Lorraine leaned right forward and kissed me full on the lips, right in front of everyone.

I was shocked into stillness at first, but as she pushed her tongue into my mouth I responded, and then we were kissing and fondling each other passionately. The shocked looks on the guys' faces told me that they couldn't believe what they were seeing. And in the lights of the room I could see that the bulges in the front of their trousers meant that they were enjoying the view.

Lorraine had her hands up my dress now, fondling my bum, so I followed suit, getting my hands under her basque so that I could play with her nipples. I could hardly believe that we were doing this in public, in the middle of a party, but the lads seemed to be enjoying it, encouraging us with wolf whistles and shouting for us to go further. Suddenly Lorraine stopped kissing me and turned round to them.

"If you want to see more," she said, "you'd better take us somewhere we won't be disturbed." As it was Derry's house he led the way upstairs to the enormous main bedroom, which was centred round a huge kingsize bed.

The lads all piled in after us, and Lorraine sat on the bed. I just stood there like a lemon, not really knowing what to do, until Lorraine pulled me down on to the bed with her.

"Come on," she told me, pulling my dress off my shoulders and down to my waist, "if we're going to get shagged tonight we'll have to warm the boys up a bit first!" With that, she took one of my bared boobs into her mouth and began to lick and suck it, pressing me down into the hard bed. I could feel her erect nipples on my stomach, and she rubbed one of them into my fanny with one hand as she fondled my boobs with the other. I opened my legs wider to let her feel how wet I was.

Opening my eyes as I did that, I saw that Laurie and Denis, following Derry's example, were pulling their trousers down and wanking their hard pricks. I couldn't take my eyes off the sight. All those stiff pricks wanking over the sight of us. Lorraine had seen it too and it was making her hornier than ever. She pulled off my knickers and got her tongue into my soaking wet pussy, circling my clitty with her index finger as she pushed her tongue into my love hole. I lay there propped up on my elbows, enjoying the ripples going through my fanny and watching fascinated as all the lads had freed their pricks and were stroking their hard-ons. I'd never seen any bloke wanking himself, let alone seven of them at once, and it made me come several times, urged on by Lorraine's fingers.

I could see that several of the lads were close to coming themselves, and told Lorraine. "We don't want to waste any of that lovely come," she said to me, pulling off her basque and mini-skirt. "Let's see who can come first, and he can shoot it on us!" So we were treated to the amazing sight of seven blokes standing in front of us, wanking for all they were worth, their balls straining as the spunk rose in them. Lorraine was clearly enjoying the power that we had over them, because I could see her cunt was dripping with her juices and she was fingering herself and panting.

Suddenly I saw that Niall was to be the first to come. The knob end of his cock was wet and shining and his dick looked close to bursting. "I'm going to come," he grunted, and immediately Lorraine shifted her position on the bed. "You'd better get ready to shoot over my arse then," she told him.

She turned round and knelt on all fours on the bed, sticking her bare arse high in the air, pulling her cheeks apart so that the lads had a bird's eye view of her open, wet cunt and the little rosette of her bum. Niall stepped closer and gave his dick a couple more energetic tugs before a thick stream of white spunk flew through the air and splattered on to Lorraine's bum cheeks. The spunk came in two or three spurts, and Lorraine started shouting.

"I love that hot cream on my bum! Give me some more, please!" The sight of her rubbing Niall's come into her cheeks, groaning as the feeling of the hot sperm excited her further, just sent me into a frenzy. I pulled my dress and knickers off and knelt on all fours on the bed next to Lorraine.

"The next bloke to come can do it into my cunt!" I yelled. I wondered who it would be, and soon I saw that it was Richie, with his long, thin cock straining at the seams, who would be giving me his come. "Stick it in me," I told him. He half knelt on the edge of the bed and grasped my hips so that he could get his cock as far as possible up me. I felt the head of his cock pushing my cunt lips apart and thrusting into me, and it was wonderful. It was even better to have an audience too.

Richie started shafting me with firm, hard strokes, seeming to go right to the end of my fanny and giving me the most wonderful rippling mini-orgasms as his fuck strokes got faster and faster. I was gripping the bedhead really hard and biting my lip as he fucked me. Lorraine obviously saw what fun I was having, and she decided that she didn't want to be left out any longer.

"If someone doesn't come and shag me," she shouted, "I'm going to have to get my dildo out of my handbag!" I could well believe she had one in there too. There was a bit of competition between the lads as to who was going to fuck Lorraine, but eventually it was Sean who came forward, his stiff dick in his hand, ready to penetrate her cunt. Lorraine made him lie on the floor and she crouched over him, lowering her dripping pussy on to his hard cock, sinking down and sighing with pleasure as he started to lift his cock up to screw her.

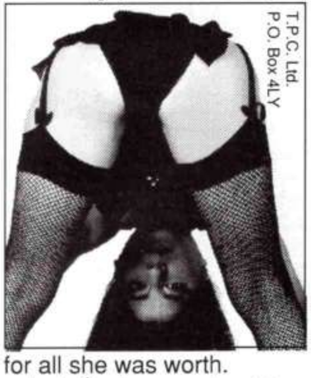
**Fantasy Frolic**

After reading your mag last month I quickly became Solid & Steamy (0836 405 550) after seeing your centrefold Luscious Lynn (0836 405 551) Parted & Pouting (0836 405 552) at me.

As I began to fantasise about what I would do to her Scantily Clad (0836 405 553) body, my wife entered the room and offered to give me A Helping Hand (0836 405 554) by getting me Oiled For Action (0836 405 555). It wasn't long before she ended up with More Than A Handfull (0836 405 556), at which point I felt her Sliding Lips (0836 405 557) start to work on me. When she started to use her Expert Tongue (0836 405 558) I had to struggle in order to keep control of myself, so she placed her Legs Either Side (0836 405 559) of me and pinned me to the bed, then began to slide up and down on me, Pumping & Panting (0836 405 560)



for all she was worth.

Just as she was about to reach a Clammy Climax (0836 405 561), I managed to sneak another look at your centrefold in her Moist & Memorable (0836 405 562) Black Stockings (0836 405 563), the sight of which made me virtually explode!

"What about me?" asked Adrian, frantically wanking his own dick. "I'm about to shoot my load."

"Get it in my mouth," Lorraine said, pulling him by his dick towards her. "I love swallowing the stuff!" As she sat astride Sean, Adrian put his cock to her lips and she licked the shiny tip, tasting the pre-come that was oozing out. I'd seen her sucking cocks before, and I know she loves the taste of a guy's spunk, but I couldn't believe how hard she was sucking Adrian's cock, really tensing up her cheeks as she pushed her mouth up and down on it. Then her cheeks blew out and I knew Adrian was coming in her mouth.

The sight of Lorraine swallowing all that spunk made me come off in a big way. I yelled as Richie's shafting reached its climax with one final thrust taking me right over the edge. "I'm coming now!" I screamed, as my juices squirted right out of my pussy and coated mine and Richie's thighs. I felt his load shooting into my cunt the next second, and as I straightened up slightly when he withdrew his limp cock from my cunt, blobs of his come ran out down my thighs.

I had thought that my fun was over for the moment, but I had forgotten that Denis hadn't come yet. He was clearly eager to as well, as he stepped towards me. I was seized with the desire to swallow some come, and took his dick firmly between my lips. I fondled his big hairy balls as I sucked him off, and all too soon I was swallowing what seemed like a bucketful of come down my throat.

By this time Lorraine had sucked off Laurie and Derry too, so all the blokes had had one come. They all looked ready for more though, and it was just a matter of waiting till Lorraine and I had recovered. The smell of love juice filled the air, and it was making me feel really randy again, so I didn't think it would be long.

The lads weren't finished either, and Derry spoke up. "Why don't you give us another one of your shows, like you did earlier?" he slyly suggested.

The thought clearly excited Lorraine, because she started playing with her nipples as she lay back on the bed, pretending to consider the suggestion. I knew she'd agree to it. Then, taking me by surprise, she pushed me back on to the bed and kissed her way down to my cunt, making little wet circles all over my stomach with her tongue. I lay back playing with my own nipples as I felt her tongue rasp over my pubes and down to my cunt. She started to lick out my hole, tasting not only my own female juices but all the come that had been shot into me. She was really lapping it up, and fingering herself at the same time, it was exciting her so much.

"Get into the 69, Lorraine," I told her. She moved so that she could still keep her mouth at my cunt but her pussy was poised over my face. Come and cunt-juice dripped on to my lips and I licked it up, then buried my face into Lorraine's muff and proceeded to lick her out.

The taste of her come combined with the spunk I was tasting sent me wild, and I started to tremble in anticipation of what was the most intense orgasm I'd ever had, and I've never come like that since then either. It was the combination of that and being watched by seven masturbating guys that really did for me, and I was lost, coming off several times and licking an ecstatic Lorraine to yet another climax.

Things weren't over yet though, because as we lay there, thinking that we ought to get dressed before someone else from the party came and found us in this state, I felt what I thought incredulously must be rain dropping on to my stomach and tits. I looked up to be confronted by an amazing sight.

All seven guys were standing in a line jerking their dicks in unison, their balls straining, as they sprayed their come over Lorraine and I. We writhed around on the floor as the hot shower hit our bodies, rubbing it into our skin and frigging ourselves off.

This happened a couple of months ago, and since that time I've hardly been able to show my face in the town, I'm so embarrassed about my behaviour. Lorraine, however, has been enjoying herself immensely and getting fucked by anyone she can get her hands on. – *Anon, Ireland*

# michelle

*If you had the choice of getting to grips with only one little bit of the very munchable Michelle would you plump for her little pink, perky boobs, or those bouncy little bum cheeks? Or would your trembling tongue find its way into that unusually thick thatch of pubes, we wonder?*

Photographs by Larry Kramer

*"It's only this thick because I used to shave it clean off," explains Michelle, as we look on confused. "Blokes seem to be fascinated if you shave yourself. I suppose it is a bit erotic, especially because every time I did it I ended up knuckle-deep in my pussy. I wouldn't dream of trimming my bush again though, now it's grown back so luxuriously."*

*"I love the way it pushes out my panties at the front, bulging with all my hair. Some of it even pokes out at the sides which seems to drive guys wild. I like having guys chew on my curls, then finding my sensitive bits deep inside. It's so dark and thick and warm, what guy could resist it?" she giggles, puzzled by our preoccupation. No one we know, Michelle!* ♣

# JAMIE SUMMERS

You may have noticed (or you may not have got past her luscious pussy yet) that the last time we featured Valley Girl porn star Jamie Summers in Club, back in Vol 18 No 2, we called her Katie. But there was a reason for this – Ms Summers herself.

"I wanted to see what the reaction was to my pictures," she told us. "I was kind of testing the water – trying to see if guys fancied me on my own merits, without knowing I'm some hotshot porno star. It worked! I had stacks of letters from guys telling me what they'd like to do to me. Of course, I wished they could but since I live out here in LA it was a little difficult."

Horny Jamie has starred in over 20 adult videos in the States, which has made her a very big name indeed. "I

never thought I would be able to fuck in public, on camera, but now I love it! My face, and most of my other bits too, get recognized everywhere I go, and of course that means I'm never short of a fuck. Which is just the way I want it." And watching her in films like *The Wild Brat*, *Little Shop Of Whores* and *The Ladies' Room* you can really see that Jamie gets what she wants.♣

## WHAT A SITE

It's criminal, really. We get a gorgeous girl in, take her clothes away and put her to work on a building site. Why? 'Cos we're such a bunch of pervs, that's why. If you are too, join in next month's ish and get a look at Chris here really working up a sweat. You'll also find twelve other naughty girls. And a unique true-life centrefold confession. And a secret celebrity nude! And buckets more! My God, it's our best issue ever! If you don't buy it, you're barmy! ♣

it was set up for Jo to come to stay with us for the weekend.

We all went out that evening to have some drinks, and on returning we all sat down and watched the porno film. Jo and Sue went upstairs, saying for me to come up in a quarter of an hour.

I could only wait ten minutes before I crept upstairs. As I got to the bedroom I looked in and saw Sue lying on the bed. She was wearing a basque and stockings. I saw Jo's head bobbing up and down between Sue's legs, licking the full length of her cunt. Sue was moaning deeply, her hand on the back of Jo's head pulling her face right up to her cunt, her other hand on her tits. As Sue came, her legs bent back almost round her head.

"Right Bob, fuck Sue doggy fashion while she sucks my clit," Jo ordered, as she lay down flat, opened her legs and frigged while Sue got on all fours and tasted cunt for the first time. My nine inches slipped into S with ease. I was pounding away at h as Jo screamed, "Come inside her cunt, Bob!" I did.

"I want to eat your prick," Sue tol me. I was hard again at the thought. "Let's smear it with jam first," Jo said. They sat either side of me, taking a turn each at sucking me off When I came both of their tongues were licking my prick and I splatter their faces. I thought it was all over but I was wrong. Jo got her double-ended dildo out. It was about a foot and a half long. She slipped it into Sue and then herself, and they both wiggled and moaned. I moved roun to Jo's face and pushed my cock in her mouth. They were soon climaxi so I shot my load over Jo's tits.

What a night. We're planning to it again soon, and next time it's all going on film. Anyone want a copy
*Bob, Ashford*

## Dear Clara,

**I bought Vol 18 No 6 on my way home from work last night, naturally expecting the usual sexy standards of stimulation, but was enthralled by you. You're gorgeous, Clara. Your body is certainly red hot and you are the dirtiest looker Club has ever featured.**

**Your expression is so lustful that the desire for cock just oozes from your beautiful eyes. In every picture where you are looking at the camera you seem to be saying to me: "Here I am – fuck me." Your pussy is something to dream about – such pink, moist perfection is a cock-teasing delight.**

**Everything about you – your soft, round tits, your peachy arse, your creamy belly and incredible hair – has me in a state of permanent excitement. My hard-on would be permanent, too, were it not for the fact that you keep making me ejaculate! I think it's your beautiful, kissable, red-lipped mouth, pouting with lust, that takes me over the edge. Sometimes your pout makes me think you're coming, so I join you; other times your pout makes me imagine you're watching me toss off over you, urging me on with your looks till I spunk my load in a stream from your crotch to your titties. – *Martin, Lancs***

***How did you know that I love men to cover me in their spunk? It's the thing I love to do the most, and if I looked as if I was urging you on to wank over me in my pictures, then it's probably because I was! So I want to sit here and play with myself as I imagine you stroking up your spunk for me and getting ready to shoot it all over my body. –* Clara ♣**
